Sunday, January 7, 2018 - 8 AM
No Freight Aisles

For target date changes please email Carlos Huerta at CESfreight@freemanco.com or call 702-579-1707 by December 1

- Advance freight will be delivered to your booth by the published target date/time.
- For freight shipped directly to show site, the process of unloading and delivering to your exhibit space may take several hours, and this should be taken into consideration when scheduling labor. We recommend scheduling labor to begin the following day.
- The Las Vegas Convention Center (LVCC) will be closing early on Sunday, December 31. All exhibitors should complete work for the day by 2 PM and exit the premises no later than 3 PM.
- The marshalling yard will promptly close at 10 AM on Sunday, December 31. Your carrier must be checked in by 10 AM in order to be unloaded.
- The LVCC will be closed on Monday, January 1, in observance of New Year's Day. No exhibitor activity permitted.
- Mobile vehicle(s) are permitted to arrive anytime during exhibitor move-in. Please refer to the Freeman vehicle placement form in the Exhibitor Manual for additional information.
- Product may arrive on or after your target date, but for security purposes, we recommend it not arrive prior to Sunday, January 7.
- All crates must be empty and labeled for removal by 6 PM on Sunday, January 7.
- All cartons, fiber cases and packing materials must be empty and labeled for removal by 1 PM on Monday, January 8.
- All accessible storage items must have a work order submitted to Freeman and be labeled for pickup by 1 PM on Monday, January 8.
- Please review our Clean Floor Policy for a full list of set-up dates and times that must be met.

FREEMAN | **Disclaimer** - Every effort has been made to ensure the accuracy of all information contained on this floor plan. However, no warranties, either expressed of implied, are made with respect to this floor plan. If the location of building columns, utilities or other architectural components of the facility is a consideration in the construction or usage of an exhibit, it is the sole responsibility of the exhibitor to physically inspect the facility to verify all dimension and locations. © Copyright 2007, freeman, all rights reserved.
