Our lead staff for meeting rooms and Presentation Management changed this year which caused us a bit of anxiety initially. Fortunately, the two who replaced them did an outstanding job and we had virtually no problems. Things went very smoothly! Exceptional customer service is one of the biggest reasons we are such Freeman fans! Freeman is not just a contractor, they are an extension of our staff. —TASB

*Freeman's customer service is always exceptional. Everything was done on time and we had to make a change within one week of the event and it was no problem. Wonderful to work with! For all of our AV needs Freeman will always come first. —Easter Seals
