Graphics File Standards

2007 International CES

January 8-11, 2007

Sending your graphic and image files to the GES Creative Services Department

We want your graphics and images to look their absolute best. We are committed to partnering with you in order to provide the most comprehensive and effective solutions in the trade show industry. The graphic print and production industry is continuously evolving and in order to insure the best quality graphics and images from your digital files and to make file transfers as seamless as possible, we are pleased to provide you with guidelines for submission of your art to GES. If you are unable to provide digital artwork for your signage needs, GES is capable of providing you with layout services. Additional fees will apply. Contact your GES representative for details.

Acceptable Media: All media should be formatted for use on a PC*

- **Floppy disk - 3.5"**
- **Imagemaster Zip disk – 100 MB**
- **CD-ROM (CD-R or CD-RW)**
- **DVD-ROM (DVD-R only)**
- **Email attachment (limited to maximum size of 2mb)**

When sending disks, label them as follows: *Exhibitor Name / Show / Show Date / City of event*

**For disk types not listed above, please contact a Creative Services Professional (see the "Still have Questions? Section below)*

Acceptable File Formats**

VECTOR

This type of artwork is resolution independent and hence can be enlarged or reduced without any loss of quality.

<u>EXTENSION</u>	<u>PROGRAM</u>	<u>VERSION</u>
.cdr	Corel Draw	Version 11.0 or earlier
.eps	Encapsulated Postscript	An export option of various programs (vector .eps preferred)
.ai	Adobe Illustrator	Version 10.0 or earlier

BITMAP: If you have bitmap art, it is best to save your artwork in a 1 to 1 (full size) output ratio at 150-300 dpi. Lower resolutions or ratios will result in lower image quality. File size should not exceed 100 MB.

AVOIDING ADDITIONAL COSTS: Files obtained from the internet (.jpg or .gif) or artwork created in MS Office applications (Word, Excel, PowerPoint, etc.) are often not suitable for high quality output, and often require additional hourly charges. To avoid additional costs associated with these file types, please supply files in accordance with the defined criteria listed above.

***For file types not listed here (QuarkExpress, FreeHand, InDesign or .PDF files), please contact a Creative Services Professional.*

Typeface/Font Handling

Convert all fonts to outlines before saving your file for transfer. If you do not convert your fonts to outlines, font substitution will occur, resulting in unexpected output. Remember that once fonts are converted to outlines they are no longer editable.

Proofs and Colors:

IMPORTANT: *Always send 100% accurate proofs (color laser prints) with your disk. Identify all specific spot colors (PMS) within your file and on the provided proofs. In the absence of color specifications, all graphics will be produced as is without color corrections.*

Still Have Questions?

If you still have questions or concerns about your artwork, file formats and method of delivery, please contact us at gesgraphics@ges.com (please indicate what city your event is being held in).

STANDARD EXHIBITS

Standard Exhibits

With 23 GES® standard exhibits to choose from, selecting the size and configuration that meets your tradeshow needs is easy. Our modular exhibits are hassle-free because you pay no design fees, no shipping fees, and no repair or refurbishing fees. Plus, you may customize the trim and panels, and choose from a wide variety of accessories to create a unique exhibit that reinforces your brand and marketing efforts.

All packages include rental, delivery, installation, and dismantling. For other custom furnishings, hanging signs, or graphics, contact your GES National ServicenterSM representative at 800.475.2098.

20' x 20'

DELUXE EXHIBITS

How do I order a DELUXE EXHIBIT?

STEP 1: Call 866.481.9722 or email us at ges&d@ges.com to be put in contact with an Account Executive.

Designer Series was specifically created with the exhibitor in mind. Elegant, light maple laminate panels create a visually dynamic showcase for your products and services.

Architectural elements include towers, radius panels, curves, angles and offsets to add interesting depth and dimension to your selling environment. Exhibits are accented with sleek black metal accessories and trim.

We've taken extra steps to ensure that the focus is on your product, not ours. Allowing our brackets and fasteners to be less visible, "Garcy" strips are integrated into the wall panel.

Accessories

Several high-end component options provide ultimate display flexibility. Mix and match virtually any combination of components to get the right merchandising environment for your product.

Display-Friendly Features

- 8' and 12' wall panel heights
- light maple finished panels and finishes
- "invisible" hardware
- curved and angled display features
- illuminated graphics
- integrated direct and indirect lighting
- upgraded plush carpet

All designs can be modified to fit your booth space.

www.ges.com

CUSTOM EXHIBITS

Purchasing a CUSTOM EXHIBIT

GES® brings all their capabilities and resources together with one-on-one attention to detail and follow-through you would expect from an industry leader.

Your Introduction

The custom exhibit process starts when our GES team meets with you to determine your tradeshow goals and requirements. Based on the information gathered at this meeting, our skilled designers will present renderings of the finished exhibit for your review.

Your Customization Continues

Materials and finishes will be discussed and selected from our wide range of fabrics and substrates, including special, upgraded finishes available only on custom exhibits. Once the overall look has been agreed upon, the renderings are turned over to our CAD engineers and plans are prepared for construction. Our engineers are the most experienced in the industry and their carefully executed plans will be followed precisely as our skilled fabricators build your exhibit.

ProjectPoint™

You will be able to review and approve designs online throughout the process with ProjectPoint™, our online design review and project communication.

BOOTH #/MTG. ROOM #

PLEASE COMPLETE THIS FORM FOR ALL IN-BOOTH FORKLIFT AND LABOR NEEDED.

TO DETERMINE IF YOU NEED IN-BOOTH FORKLIFT AND LABOR, PLEASE READ THIS FORM CAREFULLY.

- In-Booth Forklift and Labor may be required to assemble displays or when uncrating, positioning, and reskidding equipment and machinery.
- A forklift is required for moving equipment and materials weighing 200 pounds or more.
- If you require a forklift, a crew will be assigned consisting of a forklift with an operator.

IMPORTANT INFORMATION & RATES

Starting time can be guaranteed only when labor is requested for the start of the working day at 8 AM. All exhibit labor for 8 AM starting times will be dispatched to booth space. Confirm labor and forklifts by 2:30 PM the day before date requested. Please have a representative pick up the crew at the labor desk and supervise the work to be done. Upon completion, the exhibitor's representative will return the crew to the labor desk and approve the work order. Equipment and labor cancelled without a 24 hour notice shall be charged a one (1) hour cancellation fee per worker and forklift. If exhibitor fails to use the workers and equipment at the time confirmed, a one (1) hour "No-Show" charge per worker and forklift will apply.

The minimum charge for labor and equipment is one (1) hour per worker and equipment. All equipment and labor is charged in one (1) hour increments per worker and equipment. **GRATUITIES IN ANY FORM, INCLUDING CASH, GIFTS, OR LABOR HOURS FOR WORK NOT ACTUALLY PERFORMED ARE PROHIBITED BY GES.** GES requires the highest standards of integrity from all employees. Please call our confidential Always Honest hotline at 866.225.8230 to report fraudulent or unethical behavior. All rates are subject to change if necessitated by increased labor and material costs.

HOURLY RATES	Times	Forklift with Operator	Laborer
Straight Time	Between 8:00 AM and 5:00 PM Weekdays	\$ 117.41	\$ 63.41
Overtime	Before 8:00 AM and after 5:00 PM Weekdays and all day Saturdays, Sundays and Holidays	\$ 167.26	\$ 113.26

Important Hanging Sign / Truss Guidelines

2007 International CES

January 8-11, 2007

Rules and regulations vary at each of the following facilities. When completing your order for Hanging Sign Service, please refer to the following information to ensure you meet the guidelines for each facility. Questions in regard to Hanging Sign Service may be directed to Steve Williams at (702) 515-5716 (swilliams@ges.com).

Las Vegas Convention Center

- GES is responsible for supervision, assembly, installation and removal of all hanging signs and truss work at the Las Vegas Convention Center. This service may be ordered by completing the Hanging Sign/Truss Order Form in this section of the exhibitor manual.
- Signs weighing over 300 lbs. will require at least one motorized hoist installed by electrical.

Las Vegas Hilton

- GES is responsible for supervision, assembly, installation and removal of all hanging signs and truss work at the Las Vegas Hilton. This service may be ordered by completing the Hanging Sign/Truss Order Form in this section of the exhibitor manual.
- Signs weighing over 200 lbs. will require at least one motorized hoist installed by electrical.

Sands Expo and Convention Center

- GES is responsible for supervision, assembly, installation and removal of all non-electrical hanging signs weighing 200 lbs. or less. This service may be ordered by completing the Hanging Sign/Truss Order Form in this section of the exhibitor manual.
- Signs weighing more than 200 lbs., electrical hanging signs, and truss installation and removal work must be performed by SES at the Sands Expo and Convention Center. To order this service, please refer to the Sands Hanging Sign/Truss/Labor Order Form in the SES brochure located in the "Sands/The Venetian Show Utilities" section of this exhibitor manual.

The Venetian

- The Venetian does allow Exhibitor hanging signs, however, Specialized Event Services (SES) is the exclusive provider of rigging for these signs. Please see the "Sands/The Venetian Show Utilities" section of your Exhibitor Manual for additional information.

2007 International CES January 8-11, 2007

DEADLINE DATE:
December 11, 2006

GES is responsible for supervision, assembly, installation and removal of all hanging signs. If your booth space is at the Sands Expo or The Venetian and you plan to hang signage or truss that is electrical and/or over 200 lbs., please refer to the Sands Hanging Sign/Truss/Labor Order Form in the SES brochure located in the "Sands/The Venetian Show Utilities" section of this Exhibitor Manual.

GENERAL INFORMATION

GES is responsible for supervision, assembly, installation and removal of all hanging signs. Supervision of the hanging of your sign will be accomplished by GES. If you wish to be present during installation, it is the responsibility of your company to have a representative available at the time of construction and installation of the hanging sign.

Remember:

1. All signs must be designed to comply with Show Management rules and regulations and facility limitations.
2. Make sure all signs, with the exception of cloth banners and signs under 100 lbs., have structurally engineered rigging points as well as blueprints displaying a current structural engineer's stamp.
3. If your sign requires electricity, make sure it is in working order and in accordance with the National Electric Code. Place your order for electrical services and electrical labor on the *Electrical Service Order Form*. If your booth space is at the Sands Expo or The Venetian, please refer to the Sands Hanging Sign / Truss / Labor Order Form in the SES brochure located in the "Sands/The Venetian Show Utilities" section of this Exhibitor Manual.
4. Include exhibitor contact information with the order.
5. **Include engineer-stamped assembly and hanging instructions with the order. GES accepts no liability for any work completed without such instructions, when required. Work is done at exhibitor's risk and exhibitor shall indemnify and defend GES and Show Management from any claims arising out of or related to the installation of any sign without approved drawings.**
6. In order to receive the discount rate, include assembly and hanging instructions with the sign and with the order.
7. All sign rigging must be supplied by or approved by GES for all signs and truss to be installed by GES.

Las Vegas Convention Center ONLY:

Note: Signs weighing over 300 lbs. will require at least one motorized hoist installed by electrical.

Sands Expo and Convention Center ONLY:

Note: Signs weighing over 200 lbs. must be hung by SES. If your booth space is at the Sands Expo, please refer to the SES brochure located in the "Sands/The Venetian Show Utilities" section of this Exhibitor Manual.

Las Vegas Hilton ONLY:

Note: Signs weighing over 200 lbs. will require at least one motorized hoist installed by electrical.

The Venetian ONLY:

Note: The Venetian does allow Exhibitor hanging signs, however, Specialized Event Services (SES) is the exclusive provider of rigging for these signs. Please see the "Sands/The Venetian Show Utilities" section of your Exhibitor Manual for additional information..

RATES FOR HANGING SIGNS

The minimum charge for the Hanging Sign Crew is one (1) hour for installation and one (1) hour for the removal. Work exceeding the one (1) hour minimum will be charged in half (1/2) hour increments. All rates are subject to change if necessitated by increased labor and material costs. Orders cancelled without a 24 hour notice will be charged a one (1) hour cancellation fee per crew and equipment. Gratuities in any form including labor hours for work not actually performed are prohibited by GES.

NON ELECTRICAL

- | | Regular | Discount |
|---|---------------|---------------|
| 1. Manlift & Crew | \$ 489.60/hr. | \$ 326.15/hr. |
| 2. Materials needed to hang signs will be priced as needed. | | |
| 3. Labor for assembly (See Prevailing Rates) | | |

ELECTRICAL

- | | Regular | Discount |
|---|----------------|--------------|
| 1. Manlift & Crew | \$ 489.60/hr. | \$326.15/hr. |
| 2. Motorized Hoist | \$ 391.00/each | |
| 3. Materials needed to hang signs will be priced as needed. | | |
| 4. Labor for assembly (See Prevailing Rates) | | |

To receive the Discount Price, you must complete and return the Hanging Sign Order Forms with Hanging Sign instructions and the Payment & Credit Card Charge Authorization by the published Deadline Date on this form. The hanging sign must also arrive at the GES warehouse by the Hanging Sign Deadline Date to receive the Discount Price and to ensure that the sign is hung prior to show opening. There is no guarantee that your sign will be hung if it is not received by the deadline date.

By sending us this information and shipping the sign in advance, you will help assure your sign is properly assembled and installed.

SHIPPING INSTRUCTIONS

Please ship your hanging signs in advance. All hanging signs must be received in advance at the GES warehouse by the published Deadline Date on this form to receive the Discount Price. Please ship all hanging signs in a separate container with the special sign label attached. Mark bills of lading "Hanging Sign". Prepay all shipments. Collect shipments will not be accepted. See *Shipping Information and Shipping Guidelines* for more information. **Please call for information on advance shipping for all truss or uncratable signs.**

To expedite the hanging sign, please use the special shipping labels contained in this service kit.

TRUSS AND HOIST INFORMATION

GES is responsible for supervision, assembly, installation, and removal of all truss installed at the Las Vegas Convention Center. If you wish your representative to be present during the assembly, installation, and removal of your truss, please check the appropriate box on the *Hanging Sign/Truss Order Form*.

Remember:

1. All truss must be designed to comply with Show Management rules and regulations and facility limitations.
2. All truss must be from a recognized manufacturer. Manufacturer load specifications for your truss must be at showsite prior to rigging.
3. Climbing on truss is strictly prohibited.
4. All lamps and fixtures to be attached to truss must be in good working order and in compliance with the National Electric Code. Place your order for electrical services and electrical labor on the *Electrical Service Order Form*.
5. All hoists must be from a recognized manufacturer and must be in good working order.
6. Hoist maintenance records should be available for inspection by GES.
