Total Number of badges required for EAC staff:

Please include labor as well as supervisory personnel in your request. Worker badges are for employees of EACs, and are to be worn at all times during installation, show days, and dismantle. Please request only the number of badges you actually need for your company's use. Union labor hired from GES will have their own badges.

Important: Badges will not be issued until Show Management has received:

- ☐ Letter of Intent from all exhibitors using your service
- ☐ A signed EAC Agreement (provided in Exhibitor Manual)
- ☐ An original certificate of insurance (see EAC Agreement for coverage requirements).
