

LAST SET ARE:
More-In: January 9 at 10 a.m.
More-Out: January 13 by 6 p.m.

* Fire aisle notation is a visual reminder that fire code must be followed, and booth structure should not run more than 100 linear feet without a break to allow for egress. Technically, the code states that "the travel distance within booth or exhibit enclosure to an exit shall not exceed 50 feet (2003 NFPA 101, 13.7.4.3.2)." Exhibitors must submit all booth plans to the LVCCA fire & safety manager for Fire Marshal approval at boothplans@lvcca.com
