- If an exhibitor purchases a Turnkey prior to January 2, 2013, it will be set-up by 8 a.m. on January 7, 2013. What to order:

Exhibitors will be responsible for all aspects of their turnkey display over and above what is included in your package. This includes custom graphics, additional electrical, Internet, etc. All necessary forms are included in this information packet and may also be found in the full CES Exhibitor Manual at www.CESweb.org/manual.

Please note – Electrical and Internet orders are handled separately at the Venetian. If your exhibit space is located in the Venetian, please refer to the Venetian Exhibit Space Manual (<https://ordering.ges.com/011006050>) and contact SES for any electrical/internet needs at servicecenter@sandsexpo.com or at 702-733-5031. GES handles [shipping](#) and graphic orders at all show venues, please just be sure to reference the correct manual for your orders.

- **Additional electrical** – Ordering additional electrical before the deadline is critical for turnkey exhibitors. Because there is standard carpet, it is extremely difficult and time consuming to fish wires under the carpet if electrical is ordered once the carpet has been laid. For ordering additional electrical beyond what is included in your package, visit <https://ordering.ges.com/011005119/electrical>. If you have any questions placing these orders, contact GES at www.ges.com/chat or call 800-475-2098. You will need to fill out and draw your electrical drops on your [Electrical Booth Layout Form \(H-3a\)](#). Orders must be submitted to GES on or before **December 10, 2012**.
- **Phone and Internet – Smart City is the provider of all phone and Internet services** which features online ordering [here](#). You must place your order with Smart City no later than the **December 12, 2012** deadline.
- **Shipping** – You have two options for your shipment. You can ship to the GES warehouse in advance, or you may ship directly to show site. Advance warehouse shipments must arrive on or before Wednesday, December 19, 2012 and this method assures you that you will have your freight delivered by 8 a.m. on Friday, January 4, 2013. Direct to show site shipments must be scheduled by you to arrive on this date. Direct shipments must go through the GES marshalling yard, so the shipment usually does not arrive in your space until the afternoon or evening.
 - For all information regarding shipping visit <https://ordering.ges.com/011005119/shippingmhinfo>, if you have any additional questions regarding freight, please contact GES at www.ges.com/chat or call [800-475-2098](tel:800-475-2098).
- **Signs/Graphics** – All graphics must be either laminated or mounted to a backing, such as foamcore. Exhibitors must provide their own adhesive, such as Velcro or double sided tape and may not puncture or put holes in structure. Dimensions of the panels can be found on the next page and you can also contact GES to produce special panels at an additional cost. To order custom graphics for your turnkey package, please contact [Jennifer Murray](#).
- **Payment** – Be sure to fill out the **Payment and Credit Card Charge Authorization Form (G-2)** once you are finished filling out all of your GES order forms. (Find this form

below)

- **For General Rules and Regulations** - Please refer to the LVCC Exhibitor Manual at www.cesweb.org/exhibitors/manual. You can also check out hot topics and show planning resources at www.cesweb.org/exhibitors/showPlanning.
