

Dear CES Exhibitor,

We are pleased that the Consumer Electronics Association has selected GES Exposition Services as your Official Service Contractor for the 2006 International CES. We strive to offer you the best possible service to facilitate a successful show experience.

Please review this manual carefully. It contains information and order forms for each of the many services offered by GES Exposition Services. If we are to serve you efficiently, it is most important that you return these forms to us promptly.

By placing your orders in advance, you can save up to 50% on most decorating items. Advance orders also make for a smoother, more efficient move-in avoiding unnecessary waits, the possibility of selecting a sold out item and showsite delivery delays.

To qualify for discount prices, orders must be received in our office on or before the deadline date(s) on the order forms. Please be sure to reference each order form as deadline dates may vary.

GES requires payment in full at the time services are ordered. For your convenience, we require that you provide a credit card authorization with your initial order. This may be used to charge labor and material handling services not covered in your advance order. We accept Visa, MasterCard, American Express, Diners Club and Discover, as well as checks.

We realize that exhibiting in a tradeshow can be complicated. If you need assistance with your orders or additional information, please call the GES National Servicer at (800) 475-2098. For specific questions dealing with the following departments, please call as listed below:

Freight - contact the Freight Operations Center (702) 515-5741 or (cesfreight@ges.com)

TSE Electrical - contact Deanna Iniguez at (702) 515-5715 or (tse@ts-electric.com)

Hanging Signs - contact Steve Williams at (702) 515-5716 or (swilliams@ges.com)

In addition, our GES Servicer staff will be available throughout the show to assist you.

Thank you in advance for your valued business. We look forward to serving you and wish you the most successful International CES show yet!

Sincerely,

**Daryl Clove
Executive Vice President, Sales**

**Mike Embler
Senior Account Manager**

SAVE TIME & MONEY
GES IS HERE TO HELP ENSURE A GREAT SHOW!

- Read your Exhibitor Manual! Time and energy spent here will be recouped in your meeting discount deadline dates to save money, and being aware of all of the show requirements, saving hassles on the back end.
- Pay special attention to the various discount deadline dates. Once you have determined what services you will need, review those forms for the deadline to get advance pricing. Often they may vary by service, and getting your orders in on time can save you up to 50%.
- When you order carpet directly from GES you avoid additional material handling and installation charges.
- Use your General Contractor as a resource. Our GES National Servicenter is available to assist you, Monday – Friday from 8:30 AM – 8:00 PM Eastern Time. We can be reached toll free at 800.475.2098 or contact us Online at www.ges.com/contact. Our representatives are knowledgeable and can assist you with the navigation of the Exhibitor Manual and the placement of orders.
- GES provides confirmation of all orders placed. Once your order has been processed at GES you will automatically receive a confirmation within 3 – 5 business days. All orders placed online receive immediate confirmation.
- Shipping in advance does cost a bit more, however, the peace of mind is priceless. When you ship to the GES Advance Warehouse you are guaranteed to have your materials in your booth first thing in the morning on your scheduled target date. Additionally, you will receive a confirmation of receipt from GES, including the date the shipment was received, the number of pieces and the actual weight.
- Please keep in mind that an active show floor is not a secure environment! Although great effort is put in to providing perimeter security, when you are not there items left in your booth space can be vulnerable. Please make sure all of your materials are insured properly.
- GES Service Executives are at your service on the show floor. Please look for their tent cards in your booth, it will include a cell phone number to call and they will come directly to your booth, eliminating trips to the GES Servicenter. Please take advantage of this service.
- Please take the time to review your invoice at showsite. If necessary you can set up an appointment with your Service Executive to review.

Customer's chosen carrier by the show deadline. It is Customer's responsibility to complete accurate paperwork for shipping and insure its' Goods are appropriately labeled. Customer acknowledges that it is a lessee of space, and as such has an obligation to remove its' Goods on or before the targeted time. If Goods remain on the floor after this point, GES has the right to remove them in order to restore the premises to its' original condition for show management pursuant to the venue's lease with show management. In such cases GES is authorized to proceed in the manner chosen by Customer on the Order for Material Handling Services/ Straight Bill of Lading. Failure to select one of the provided options will result in re-routing at GES' discretion, and at Customer's expense assuming the Goods are labeled for return. GES retains the right to dispose of Goods left on the show floor without liability if left unattended, left without labels or not correctly labeled.

Concealed Damage: GES shall not be liable for concealed loss or damage, uncrated Goods, or improperly packaged or labeled Goods.

Unattended Booth: GES shall not be liable for any loss or damage occurring while Goods are unattended in Customers booth at any time, including, but not limited to, the time the Goods are delivered to the dock until the time the Goods are received by Customers' chosen carrier. Measure of damage: GES' liability shall be limited to the lesser of 1) the depreciated value of Goods, 2) repair cost, or 3) the limitation of liability. Excess Declared Value: If Customer wishes a higher limitation of liability than stated above, for loss or damage to property that occurs during the show, the Customer may do so by declaring a value in the space provided on the GES services order form(s) and also on the **Material Handling Order Form** and **paying by the appropriate additional charge in advance of the commencement of services by GES**. Maximum liability for damages resulting from GES' negligence shall then be increased to the amount of declared, but in no case shall it exceed the depreciated value of the Goods or repair costs, whichever is less. In case of partial loss or damage, the maximum liability shall be prorated based on weight. Excess Declared Value is not for: plasma screens, or other fragile electronic equipment, original art, and prototypes. The Declared Value may never exceed \$100,000, for the purpose of this provision and GES' liability in all circumstances shall be limited to the amount of this cap.

No Insurance: GES is not an insurance company and does not offer or provide insurance. It is the obligation of Customer to ensure Goods are insured at all times. Loss or theft of the Goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of Customer, unless it is shown that GES performed in a manner that constitutes gross negligence in the performance of its services for Customer.

Notice of loss or damage: In order to have a valid claim notice of loss or damage to Goods must be given to GES or its agent within 24 hours of occurrence or delivery of Goods, whichever is later.

Filing of claim: Any claim for loss or damage to Goods must be in writing, containing facts sufficient to identify the Goods, asserting liability for alleged loss or damage, and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified below.

Customer agrees to pay GES prior to the close of the show for all such charges and further agrees that any claim Customer may have against GES shall be pursued independently by Customer as a separate action to be resolved on its own merits. GES retains the right to pursue collection on amounts owed after show close, without regard to any amount alleged to be owed for damage, or loss.

Filing of suit: Any action at law regarding loss or damage to Goods must be filed within two years of the date of declination of any part of a claim.

The parties hereby submit to jurisdiction and venue in the United States Federal District Court of Nevada, or as applicable depending upon jurisdiction, the County Circuit Court in Clark County, Nevada.

VIII. Advanced Warehousing/Temporary Storage/Long Term Storage.

In the event that a Storage Agreement is not executed between the parties, the following shall apply with respect to GES' liability for Customer's Goods:

The responsibility of GES with respect to Exhibit Material is limited to the exercise of ordinary care and diligence in handling and storing of Customer's Goods. GES shall be liable only for loss or damage to Goods caused by GES' sole negligence. GES' liability is limited to sixty cents per pound (\$.60) of the actual cash value per article. In case of partial loss or damage, the maximum liability shall be prorated based on weight. GES is not responsible for any loss or damage to Goods caused by, but not limited to fire, theft, the elements, vandalism, moisture, vermin, mechanical breakdown or failure, freezing or changes in temperature, as well as any other causes beyond GES' immediate control. GES is not responsible for the marring, scratching or breakage of glass or other fragile items. GES is not liable for the mechanical functions of instruments or appliances even if such articles are packed or unpacked by GES. In no event shall GES be liable for special, incidental, indirect or consequential damages, including business loss of any kind, resulting from any damage to or loss of the Goods or from any act or failure to act. Customer pays storage fees, if any or costs for advance warehousing for use of the space only. There is no guarantee of security or representations made by GES as to appropriateness of the conditions for Exhibitors' Material. The risk of loss remains the Customers alone and GES recommends the Customer carry and maintain insurance in amounts sufficient to cover its' risk.

.ai	Adobe Illustrator	Version 10.0 or earlier

BITMAP: If you have bitmap art, it is best to save your artwork in a 1 to 1 (full size) output ratio at 150-300 dpi. Lower resolutions or ratios will result in lower image quality. File size should not exceed 100 MB.

AVOIDING ADDITIONAL COSTS: Files obtained from the internet (.jpg or .gif) or artwork created in MS Office applications (Word, Excel, PowerPoint, etc.) are often not suitable for high quality output, and often require additional hourly charges. To avoid additional costs associated with these file types, please supply files in accordance with the defined criteria listed above.

***For file types not listed here (QuarkExpress, FreeHand, InDesign or .PDF files), please contact a Creative Services Professional.*

Typeface/Font Handling

Convert all fonts to outlines before saving your file for transfer. If you do not convert your fonts to outlines, font substitution will occur, resulting in unexpected output. Remember that once fonts are converted to outlines they are no longer editable.

Proofs and Colors:

IMPORTANT: *Always send 100% accurate proofs (color laser prints) with your disk. Identify all specific spot colors (PMS) within your file and on the provided proofs. In the absence of color specifications, all graphics will be produced as is without color corrections.*

Still Have Questions?

If you still have questions or concerns about your artwork, file formats and method of delivery, please call the GES National Servicer at 1-800-475-2098 and ask to speak with a Creative Services Representative (please indicate what city your event is being held in).
