GES Service Liaisons

In addition to CES Floor Managers, GES also has Service Liaisons on the show floor to assist exhibitors. GES Service Liaisons are stationed at each CES Floor Manager desk; a contact list is available on-site.

Exhibitor Hotline

Available at each of the floor manager desks is an Exhibitor Hotline. From this phone exhibitors can dial 9-943-4074 or 702-943-4074 if calling outside of the building and be connected to a floor manager in the show office. This person will be able to answer questions or assist the exhibitor as needed. Smart City also has Zone Managers stationed in the same areas as CES floor managers.

Smart City Hotline

Smart City, the exclusive provider of LVCC phone and Internet services has its own Exhibitor Hotline in place for CES. LVCC exhibitors needing assistance can dial 9-943-6CES (or 702-943-6CES) for a Smart City team member before, during and after the show.

Late Work Pass

- If an exhibitor plans to work past 7 p.m., exhibitors/exhibitor appointed contractors (EACs) must obtain a late work pass from their floor manager by 2:30 p.m. and provide the booth # and name of supervisor on duty.
- CES will hire one security guard per hall to monitor late work on the show floor.
- If exhibitor/EAC is working in a booth without a late work pass, they will be issued a first time warning; the second time they will be escorted off the show floor for the remainder of the evening.
- Note: Except for late move-in (January 6) exhibitors, exhibit set-up must be complete by 3 p.m. on January 6. No exceptions allowed.

Merchandise Pass

Only CES exhibitors are permitted to remove merchandise/product from the show floor during move-in, show days and move-out. Exhibitors wishing to remove merchandise/product must present both a photo ID (drivers license or passport) and business card to the security guard upon exiting the show floor. The security guard will cross-check the ID with the exhibitor's badge for verification. Show attendees are prohibited from carrying product off the show floor at any time.

After Hours Events or Meetings During Non-Show Hours

Any exhibitor with an event before or after show hours has to fill out an after-hours events form (a door for attendees will be designated for entry and a list of attendees is required). Exhibitors can obtain the after-hours events form in the show office if they did not fill this out prior to arriving on-site.
