

# DONATION FORM

The 2010 International CES has partnered with Opportunity Village, to create a donation program to benefit disadvantaged people in the local community. Exhibitors at the show are being asked to donate their product and other booth materials after the show to the Opportunity Village Thrift Store where all donated goods will be sold. Proceeds will benefit the hundreds of people with intellectual disabilities helped by Opportunity Village.

Opportunity Village is a not-for-profit organization, employing people within the Las Vegas community and throughout Southern Nevada with intellectual disabilities, enhancing their lives and the lives of their families. Opportunity Village has been employing the intellectually disabled since 1954 and currently employs more than 1,200 disabled adults.
