HELPFUL TIPS

What to Pack

- Business cards
- Comfortable shoes
- Jackets and gloves, umbrella– it gets cold in Vegas in January, especially at night!
- Hotel confirmation numbers
- CES registration confirmation, or badges if you received by mail

Healthy Tips

- Drink plenty of water
- Hydrate while you fly – alcohol will dehydrate you
- Wash your hands often or use hand sanitizer wipes/gels
- As a precaution, bring some cold/cough medicine, stomach flu medicine and herbal teas. You can purchase all of those items at any hotel or local pharmacy but it gets expensive. Know your health plan and what they will and won't cover if you need to see a doctor while you are traveling. Oftentimes, you have to call for preauthorization before visiting a clinic or emergency room.
