International CES is open to anyone engaged in the manufacture, distribution, service, wholesale, retail, online, commercial use or promotion of consumer technology products. No one under the age of 18 is permitted on the show floor. For more information please call 703 907 7605.

Return your form by November 17 and we'll mail your badge to you. After November 17th you'll need to obtain your badge from any pre-registration badge pick-up counter onsite at CES. The final date we can guarantee your badge will be processed before the show is December 15, 2000.

Order before November 17 and receive your badge by mail before the show.

Please call 703 907 7605 if you require any ADA services.
