ATTENDANCE AUDIT SUMMARY

CES® 2017
January 5-8, 2017
Las Vegas, Nevada
CES.tech

**Consumer
Technology
Association™**

Half a century after our very first show, CES® attracts the most innovative and creative professionals from across the global consumer technology spectrum. Year after year, industry executives from 158 countries, regions and territories come to Las Vegas to learn, meet and be inspired as the future of technology comes alive at CES.

We are thrilled to be a platform for visionaries to grow their business. CES 2017 was another record-breaking year as we celebrated 50 years as the global stage for innovation. We welcomed 184,498 executives to our 2.61 million net square feet of exhibit space, with 4,015 exhibiting companies and more than 7,000 media highlighting ground-breaking and life-changing technologies. And with technology debuts in 5G, vehicle technology, fashion, health care, sports, artificial intelligence and more, CES was proud to feature tech from all facets of the industry.

CES is the only consumer technology show that follows strict requirements for auditing set by UFI, the global association of the exhibition industry. The CES 2017 Attendance Audit Summary contains independently-verified information on attendee demographics, ensuring you have accurate data to reach and evaluate your business objectives at CES.

CES succeeds because of each and every one of you and your commitment to the magic and magnitude of innovation. Thank you for your support of and commitment to CES. We look forward to seeing you at CES 2018, January 9-12, 2018, in Las Vegas.

About the Consumer Technology Association (CTA) TM	16

Preface

CES is the world's gathering place for all who thrive on the business of consumer technologies. It has served as the proving ground for innovators and breakthrough technologies for 50 years-the global stage where next-generation innovations are introduced to the marketplace. As the largest hands-on event of its kind, CES features all aspects of the industry. Owned and produced by the Consumer Technology Association (CTA)[™], it attracts the world's business leaders and pioneering thinkers.

Visit CES.tech for up-to-the-minute news and information about CES.

To speak directly with a CES sales representative regarding exhibit space or promotional opportunities, please contact us at CESsales@CTA.tech or +1 703-907-7645.

Audit Sources

The *CES 2017 Attendance Audit Summary* provides exhibitors and prospects insight into those in attendance at CES. This information will aid in evaluating opportunities and maximize your ROI from CES. Information included in this document was derived from:

- Vault Consulting's CES 2017 Exhibition and Conference Audit Report
- CES 2017 Registration Data, provided by CompuSystems
- *CES 2017 Post-show Exhibitor Survey*
- *CES 2017 Post-show Attendee Survey*
- 2017 Fortune 500 list
- *TWICE's Top 100 CE Retailers list*

Vault Consulting Inc.

Vault Consulting provides an independent, third-party verification of CES attendance, attendee demographic information, records and record-keeping systems. CES wants to provide our exhibitors valuable, accurate attendance data to enhance market analysis and verify the show's credibility.

Attendance Highlights

The following numbers are highlights of the top attendee segments and represent a snapshot of CES attendance. For more information please contact a sales representative at CESsales@CTA.tech or +1 703-907-7645.

CES 2017 Total Attendance Overview

Association**[™]

CTA is the trade association representing the \$292 billion U.S. consumer technology industry, which supports more than 15 million U.S. jobs. More than 2,200 companies – 80 percent are small businesses and startups; others are among the world’s best known brands – enjoy the benefits of CTA membership including policy advocacy, market research, technical education, industry promotion, standards development and the fostering of business and strategic relationships. CTA also owns and produces CES[®] – the world’s gathering place for all who thrive on the business of consumer technologies. Profits from CES are reinvested into CTA’s industry services.

CTA Members participating in CES enjoy numerous benefits including discounts on exhibit space and registration, on-site access to member lounges with private meeting rooms and refreshments, invitations to member-only networking lunches, evening receptions and more. Visit CTA.tech/membership to learn about the benefits of CTA membership at CES and all year round.
