Bags to Go Now Services Six Major Airlines

Now you can stay at CES longer and head to the airport later! If you are flying Delta, Frontier/Midwest, Southwest Airlines, United Airlines, US Airways or Virgin Atlantic, Bags to Go is a convenient service available at the Las Vegas Convention Center, The Venetian and Palazzo hotel (Southwest and US Airways only), the Luxor and the McCarran airport Rent-A-Car center. Bags to Go enables you to check-in your luggage through to your final destination and also gives you the option of printing your boarding pass in advance. To take advantage of this service, you must check luggage three hours prior to your flight and have an e-ticket. All participating airlines charge a fee of \$20 per person to check up to two bags.

Additional airline fees may still apply for additional, excess, overweight, and oversized bags. Please check with your airline for their current baggage handling policy. At the LVCC, Bags to Go is located in the Grand Concourse, across from Central Hall 3. At The Venetian and Palazzo, Bags to Go is located in each hotel front desk area. At the Luxor, Bags to Go is located on the business center level, next to VIP check-in. This service is also available in the lobby of the McCarran airport Rent-A-Car center. For additional information, please call Bags to Go at 702-261-7700 or visit their website www.baggagecheckin.com.

Transportation

Hotel Shuttle Buses

Let us do the driving! CES provides complimentary shuttle bus service to/from official CES hotels to the Las Vegas Convention Center. See the complete map and schedule on CESweb.org/travel.

Venetian Express

CES offers direct shuttle service from the front of the Las Vegas Convention Center to The Venetian. The express service operates every 10 minutes Wednesday-Saturday from 7:30 a.m. to 6:30 p.m. and Sunday 7:30 a.m. to 4:30 p.m. See the map on page 36 for more information.

LVCC Shuttle Loop

If you need to go from one side of the Las Vegas Convention Center to the other, consider this shuttle to save time and to give your legs a break. The shuttle runs every 10 minutes and stops at five key locations around the building.

Golf Cart Intraconnect & Pedestrian Walkway

Use the complimentary Golf Cart Intraconnect service at the Las Vegas Convention Center to travel from the back of Central Hall 5 to the back of South Halls 1-2 during show hours.

Airport Shuttle Service

Shuttle service to McCarran International Airport is available from the Las Vegas Convention Center and The Venetian (bus loading area). The one-way trip cost is \$5 per person and is available every 30 minutes on the last two days of the show.

Taxi Cabs

Taxis are another way to get around Las Vegas. You can hail a taxi from the front of the Las Vegas Convention Center (in front of both North and South Halls), the Las Vegas Hilton, Renaissance and The Venetian. Cab lines do tend to be long, however, especially at the end of the show. Hop on one of the free CES shuttles or take the Las Vegas Monorail to avoid the crowds.

Las Vegas Monorail

Use the Las Vegas Monorail to get to three of our venues: the Las Vegas Convention Center (LVCC), the Las Vegas Hilton and the Renaissance. In 15 minutes or less, Monorail riders can travel to and from the LVCC and the Las Vegas Strip in a safe, clean, and climate-controlled environment. Visit CESweb.org/travel to pre-purchase tickets and take advantage of the CES discount. Offer only available until December 23, 2010. It's never too early to purchase tickets as they are valid for one year after date of purchase. Please note the Las Vegas Monorail does not service The Venetian. Take the complimentary Venetian Express instead.

Parking

Parking is extremely limited at all CES venues and lots fill up fast. We recommend taking the complimentary CES shuttles or the Las Vegas Monorail.

Las Vegas Convention Center:

If you need to, park in the Gold Lot at the LVCC located on the corner of Paradise Road and Convention Center Drive for \$10 a day. There are also several satellite parking lots around the convention center, including the neighboring Las Vegas Hilton and Renaissance Las Vegas. [Download a list and map of all satellite parking lots now.](#)

The Venetian:

The Venetian offers complimentary on-site parking to all hotel guests on a first-come, first-served basis.

Cell Phone Waiting Lot:

The Blue Lot at the Las Vegas Convention Center is available for private charter staging. In the event that the Blue Lot fills, CES has established a cell phone waiting area in the Green Lot. Please note this cell phone waiting area is for cars, limos and small coaches; large coaches are not permitted. Drivers must wait with their vehicles.

Other Satellite/Hotel Lots:

Most hotels on the Las Vegas Strip offer free on-site parking. If you wish, you may park your car at a hotel serviced by the [LV Monorail](#) and then take the Monorail to the Las Vegas Convention Center. Please note, the Monorail does not go to The Venetian. Please see the [LV Monorail section of CESweb](#) for more information on pricing and schedules.

ADA Service

ADA parking is available on a first-come, first-served basis at all official CES venues. ADA accessible buses are available. To arrange for your transportation, please contact RPMs, the official CES transportation vendor at 401-234-4440 or 877-899-0986. Please request service at least 20 minutes in advance of the desired pick-up time. Motorized and non-motorized wheelchairs are available, for a fee, by contacting Scootaround at 888-441-7575.
