

## Move-in and Move-out Timeline for 2013 International CES Venetian Exhibit Suites

### **Monday, November 19, 2012 – Wednesday, January 2, 2013**

Advance freight may be sent to the GES warehouse during this time. The material handling rate for advance freight is \$56.41 per 100 lbs. (\$169.23, 300 lbs. minimum), which is less expensive than the Venetian direct rates. Take advantage of this savings!

### **Thursday, January 3 – Sunday, January 6, 2013**

In lieu of going to the GES Marshaling Yard for direct shipment deliveries, shipments can continue to be dropped off at the GES warehouse during this timeframe, but will be billed at the direct to show site material handling rate. The direct to show site material handling rate is \$77.54 per 100 lbs. (\$232.62, 300 lbs. minimum). CES highly recommends shipping to the GES warehouse, as opposed to direct, in order to save time, money and the frustration of waiting for your freight. GES warehouse hours of operation during these dates are 8 a.m.-4 p.m.

### **Sunday, January 6, 2013**

*8 a.m.*

Suite exhibitors may check-in to their assigned suite. If you shipped to the advance warehouse, your freight will be waiting for you.

*10:30 a.m.-2 p.m.*

Suite exhibitors using a privately owned vehicle (POV) to deliver freight direct to show site must check-in at the GES Marshaling Yard during this time frame. Direct to show site material handling rates will apply. This is the only date and time available for POV freight to be delivered.

### **Monday, January 7, 2013**

*3 p.m.*

All containers should be emptied and labeled "empty" for removal. Suites not occupied by 3 p.m. will revert to CES. All exhibit suites must be completely set by this time.

### **Tuesday, January 8-Friday, January 11, 2013**

Show dates.

### **Friday, January 11, 2013**

*4 p.m.*

Show closes.

*12 a.m.*

All empty containers will be returned by midnight. Please be sure to plan your travel schedule accordingly to allow yourself ample time to re-pack your shipment.

### **Saturday, January 12, 2013**

*8-10 a.m.*

POV services are only available during this time. POV services will not be available on Friday evening. All POVs must check-in at the GES Servicenter once packed up ready to load out. A pass will be given at this time to come direct to show site to pick up freight, bypassing the Marshaling Yard.

*5 p.m.*

All suite exhibitors must check-out of their assigned suite and have all containers packed and labeled for removal.

### **Monday, January 14, 2013**

*8 a.m.-4 p.m.* This is the first date exhibitors may repack their shipments at the GES warehouse.

### **Wednesday, January 16, 2013**

*8 a.m.-4 p.m.* This is the first date freight carriers may pick-up outbound shipments at the GES warehouse.
