

# 2006 International CES®

## Innovations Plus at the Sands Directory

January 5 - 8, 2006 • LAS VEGAS, NV

[www.CESweb.org](http://www.CESweb.org)

**INNOVATIONS** *Plus*  
AT THE SANDS

## Special Events

### SPECIAL EVENTS

#### Must-See Special Events and Displays at Innovations Plus at the Sands

##### Flash Forward 3.0: Bringing Digital Imaging into Focus

Friday, January 6  
Galileo Room 901

Capture the latest in digital imaging products and applications and gain insight into the ever-evolving world of digital technology. Friday is Digital Imaging Day at CES.

Brought to you by

##### International Gateway Happy Hour

Saturday, January 7, 4 - 6 p.m.  
Booth #72,271-72,375

Extend your global network by attending the International Gateway Happy Hour, which caters specifically to international exhibitors and media.

##### Studio@Home, sponsored by Intel

Booth # 72,043

Check out the latest **MIX REMIX** Electronic Musician home recording and editing products, electronic music software, DJ equipment, keyboards and more. Incorporating a working home studio, Studio@Home features the hottest tools and technology in the advanced audio/video production industry.

##### Experience CEA

Catch the excitement of CEA at CES. Visit

Experience CEA in the LVCC Grand Lobby and the Sands Expo and Convention Center to learn about the programs and initiatives CEA is working on to grow the consumer technology industry.

##### Saturday@ the Sands

Saturday, January 7

With so much left to see before the show closes, don't miss out on the exciting events taking place Saturday@ the Sands. Catch the award winning products at the Last Gadget Standing SuperSession, and see the winner of the *Scientific American* Innovations Peoples Choice Award sponsored by ZAP. All attendees voting for their favorite Innovations product will automatically be entered to win a ZAP Xebra electric car. Don't miss the award announcement. For football fanatics watch the NFL WildCard Playoff Games

in style at the Innovations Showcase, equipped with cutting edge HDTVs.

##### Innovations 2006 Design and Engineering Showcase

Booth # 72,444

Here's where to see the innovation that tops all innovation. This annual competition honors outstanding design and engineering in consumer electronics.

##### Dave Graveline's "Into Tomorrow" Live Radio Broadcast

Booth # 72,838

This nationally syndicated consumer electronics radio program will launch its 11th season at CES. Hear host Dave Graveline interview CEOs, presidents and senior executives from the hottest exhibiting companies.

#### Getting to Innovations Plus at the Sands

##### NEW This Year! Shuttle Bus Services

Complimentary hotel shuttle bus services are provided from official CES hotels to the Sands Expo and Convention Center Wednesday-Sunday. View the full schedule at [www.CESweg.org/travel](http://www.CESweg.org/travel). It's so quick and easy to get to Innovations Plus at the Sands...there is no excuse to miss out on the amazing TechZones and emerging technologies housed there.

##### NEW This Year! Sands Express

If you are at the Las Vegas Convention Center you can take the Sands Express to visit Innovations Plus at the Sands. The Sands Express will run between the Las Vegas Convention Center and the Sands every 10 minutes Wednesday, January 4 through Sunday, January 8.

##### Helpful Tip

If you're staying at Treasure Island, Mirage or the Venetian, you can walk through the Venetian and get to the Sands Expo and Convention Center.

##### PLEASE NOTE!

The Las Vegas Monorail does not stop at the Sands. We suggest you use the quick and easy Sands Express from the LVCC or the hotel shuttles. There is also no parking at the Sands Expo, but satellite parking with shuttle service will be available if you must drive. The lot is located off of Koval Avenue behind the Sands.

At Innovations Plus at the Sands you can visit the largest concentration of TechZones – pockets of market-specific technology.

## Bluetooth

See the newest developments in short-range wireless technologies and interoperability, at the Bluetooth TechZone at the 2006 International CES®.

## Cardio Play-Zone

See the high-intensity fitness products and technologies that entertain us while we get a maximum cardio workout.

## Consumer VoIP

Voice-over-broadband services are causing an evolution in the telecom business. Stay ahead of your competition in the exploding VoIP industry – and check out the newest products here.

## Digital Living Network Alliance

The Digital Living Network Alliance (DLNA) works to improve the digital home by providing consumers with seamless interoperability between devices over a network, regardless of vendor, resulting in an easy, out-of-the-box experience.

## EE Times Presents: The Great Minds, Great Ideas Zone

The Great Minds, Great Ideas Zone celebrates and examines electronics industry innovators who envision the revolutionary ideas that lead to new capabilities and new markets

## IPTV

See the newest developments in Voice over Internet Protocol and integrated technologies at the IPTV TechZone.

## Launch

The spotlight is on new consumer market products and technologies. Check out this energized new home for emerging technologies, companies and products.

## Portable Audio

Developments in portable audio include low-power semiconductors for portable audio with hard drives; cell phones with MP3 capabilities; and accessories popular in other countries with potential for new markets.

## Portable Power

The Portable Power TechZone demonstrates the synergy between the products, batteries, chargers and power management systems that keep the batteries charged.

## Robotics Techzone, Hosted by Robotics Trends

Personal, service and mobile robotics are completely new technology markets, and all will have a major impact on the way we live our daily lives.

## Studio@Home

Meet manufacturers of home recording and editing

MIX REMIX Electronic Musician

products, electronic music creation software, prosumer recording and editing products, video editing and production tools and more.

## The Download

Innovation within the CE industry can not be stifled, particularly in regards to downloadable media. Illegal downloading services seem to be getting all the headlines, but the future lies in legal content sharing services. Come see the latest in legal content sharing products and technologies in The Download.

## USB

The impact of USB connectivity on small office/home office, our PCs, printers, scanners, PDAs and digital cameras is huge.

## ZigBee

The ZigBee Alliance is an association of companies working together to enable reliable, cost-effective, low-power, wirelessly networked monitoring and control products based on an open global standard.

# CES Industry Insiders and SuperSessions at the Sands

The CES Industry Insiders Series and SuperSessions are your best source for consumer technology knowledge-and it all takes place at Innovations Plus at the Sands.

## Industry Insider Series

(All Industry Insiders are at the Sands)

IIS1

### Ivan Seidenberg

Verizon Communications, CEO  
11 a.m. Thursday, January 5  
Galileo, Room 904

IIS5

### Michael Dell

Dell Inc., Chairman of the Board  
2:30 p.m. Thursday, January 5  
Galileo, Room 904

IIS2

### Antonio M. Perez

Kodak President and CEO  
11 a.m. Friday, January 6  
Galileo, Room 904

IIS3

### One-on-One with Kevin Martin and Gary Shapiro

1 p.m. Friday, January 6  
Galileo, Room 904

**Presenter:** Kevin Martin, Chairman, Federal Communications Commission (FCC)

**Presenter:** Gary Shapiro, President and CEO, Consumer Electronics Association (CEA)

IIS4

### Retail Power Panel

2:30 p.m. Friday, January 6, Galileo, Room 904

**Moderator:** Gary Shapiro, President and CEO Consumer Electronics Association (CEA)

**Panelist:** Brad Anderson, Vice Chairman and CEO Best Buy Co. Inc

**Panelist:** David Edmondson, President and CEO, RadioShack Corp.

**Panelist:** Alan McCollough, Chairman and CEO, Circuit City Inc.

**Panelist:** Larry Mondry, CEO, CompUSA Inc.

## SuperSessions

(Additional SuperSessions are held at the LVCC)

SS1

### Emerging Technologies—View from the Lab

10:30 – 11:30 a.m. Thursday, January 5  
Sands, Room 2205

**Moderator:** Suzanne Kantra Kirschner, Senior Technology Editor, *Popular Science*

SS2

### VoIP or Not to VoIP?

Noon – 1 p.m. Thursday, January 5  
Sands, Room 2205

**Moderator:** Jim Penhune, Director, Broadband Media & Communications Research, Strategy Analytics

SS7

### The Heir to the 1-Hour Photo Throne

3 – 4 p.m. Friday, January 6  
Sands, Room 106

**Moderator:** Brian Deagan, Technology Industry News reporter, *Investor's Business Daily*

SS8

### The Last Gadget Standing

10:30 – 11:30 a.m. Saturday, January 7  
Sands, Room 106

**Moderator:** Michael Miller, Editor-In-Chief, *PC Magazine*, Executive Vice President and Editorial Director, Ziff Davis

**Moderator:** Robin Raskin, Sole Proprietor, The Internet Mom
