

U.S. Commercial Service at CES 2013

Global Market Insight Program

Discover International Sales Opportunities

Find trade partners and succeed in new international markets. Register for the U.S. Commercial Service's Global Market Insight Program being held at the 2013 International CES in cooperation with the Consumer Electronics Association.

Connect with a World of Opportunity

The U.S. Commercial Service International Buyer Program partners with the Consumer Electronic Association to recruit foreign buyers and agents to 2013 International CES. Through the U.S. Commercial Service's Global Market Insight Program at CES, you'll have the exclusive opportunity to present your products and services to a panel of international industry experts from over 15 countries who will provide instant feedback on:

- Finding an Appropriate Overseas Partner
- Effective International Sales Strategies
- Business Opportunities in Their Market
- Best Practices on Exporting

About the U.S. Commercial Service

Located across the United States and in U.S. Embassies and Consulates in over 70 countries, our global network of trade professionals helps U.S. businesses succeed in markets around the world. Whether you're looking to make your first export sale or expand to additional international markets, we offer the trade counseling, market intelligence, business matchmaking, and commercial diplomacy you need to connect with lucrative business opportunities.

Space is Limited. Register Today.
