

2006 International CES

Alexis Park • January 5-8, 2006

Freight Marshaling

GES has established the Giles St. marshaling yard for the 2006 International CES Show (see map). All vehicles must check in with the GES Staff at the marshaling yard prior to unloading (except qualified POVs).

All trucks checking in at the marshaling yard prior to 2:00 PM on published move-in days will be unloaded the same day.

To avoid unnecessary idle time, please keep this in mind when ordering your installation labor.

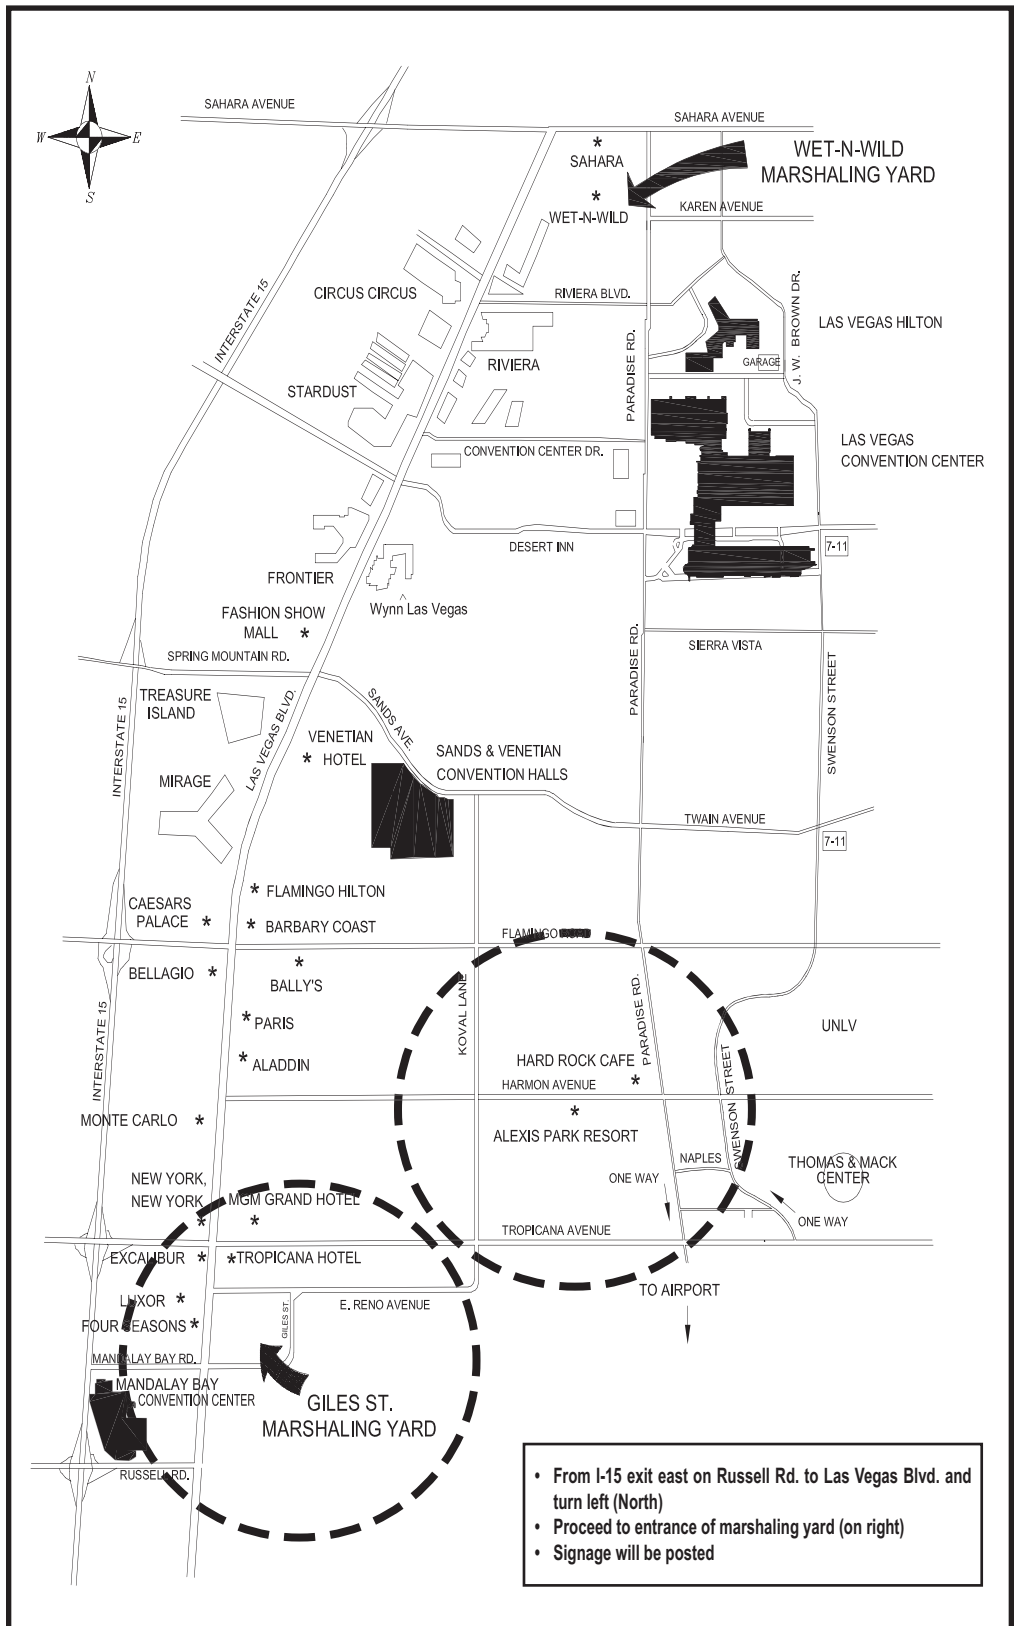

Please call Imelda Trevino for more information:

(702) 263-1584

(itrevino@ges.com)

Thank you!

GES

- From I-15 exit east on Russell Rd. to Las Vegas Blvd. and turn left (North)
- Proceed to entrance of marshaling yard (on right)
- Signage will be posted
