

10x10 Turnkey Information Packet Las Vegas Convention Center

We are happy to have you as part of the 2012 International CES at the Las Vegas Convention Center in January! We've put together step-by-step instructions to help plan for the show and ensure that your CES experience is as seamless as possible. Please read through the following information explaining your turnkey booth exhibit space, what forms you need to fill out and how to best prepare for the show.

Here is what you can expect your 10'x10' turnkey booth to include:

- Black metal and blonde wood grain panels (**100% recyclable**)
- Black carpet (**100% recyclable**)
- (2) arm lights
- (1) 1 meter counter w/ black metal and blonde wood grain panels
- (4) 39" black shelves
- (1) 16" black header w/ white company name
- (1) round table w/ 2 chairs
- (1) wastebasket (**100% recyclable**)
- (1) 1000 watt electrical outlet

- Exhibitors must abide by all rules and regulations as printed on the Exhibit Space Application/Contract, as well as in the Exhibitor Manual.
- Exhibitors are responsible for being aware of any restrictions to their booths, such as "late set" booths, low ceiling areas, columns.
- Minor modifications may be made to the package; however, all walls set must remain intact. Additional booth structure is not permitted.
- Any adjustments, additions, substitutions or furnishing extractions for package booths must be made directly with the general contractor, GES. Charges will apply.
- Graphics shown in picture are only an example of what can be done with a 30" x 40" graphic; they are not included. Exhibitors may adhere graphics to panels; however, all graphics must be either laminated or mounted to a backing, such as foamcore. Exhibitors must provide their own adhesive, such as Velcro or double sided tape and may not puncture or put holes in structure.
- Booth ID sign will be black. Text will be white with exhibiting company name as listed on the Exhibit Space Contract in ALL CAPS.
- If an exhibitor purchases a turnkey prior to January 2, 2012, it will be set-up by 8 a.m. on January 8, 2012. If a turnkey is purchased after move-in begins, between January 2 and January 9, every effort will be made to set up the turnkey as quickly as possible, but completion is guaranteed by 6 p.m. on January 9, 2012.

Exhibitors will be responsible for all aspects of their turnkey display over and above what is included in your package. This includes custom graphics, additional electrical, Internet, etc. All order forms are included in this information packet and may also be found in the full CES Exhibitor Manual at www.CESweb.org/manual.

Be sure to be mindful of the following procedures:

- **Ordering additional electrical** – Ordering additional electrical before the deadline is CRITICAL for turnkey exhibitors. Because there is standard carpet, it is extremely difficult and time consuming to fish wires under the carpet if electrical is ordered once the carpet has been laid. **Electrical services are provided by GES** and can be found within this information packet. You will need to fill out an **Electrical Outlet Rental Order Form (R-20)**, an **Electrical Lighting Rental Order Form (E-21)**, an **Electrical Labor Order Form (E-3h)**, an **Electrical Boothwork Labor Order Form (E-3a)** and draw your electrical drops on your **Electrical Booth Layout Form (H-3a)**. Each form must be submitted to GES on or before **December 12, 2011**.
- **Ordering phone and Internet** – **Smart City is the provider of all phone and Internet services** and their forms can be found within this information packet. You will need to fill out each form according to the services you will need along with a Booth Layout form to indicate placement. You must turn these forms into Smart City no later than the **December 12, 2011** deadline.
- **Shipping** – You have two options for your shipment. You can ship to the GES warehouse in advance, or you may ship directly to show site. Advance warehouse shipments must arrive on or before Friday, December 21, 2011 and this method assures you that you will have your freight delivered by 8 a.m. on your move-in date, Saturday, January 8, 2012. Direct to show site shipments must be scheduled by you to arrive on your target move-in date, Saturday, January 8, 2012. Direct shipments must go through the GES marshalling yard, so the shipment usually does not arrive in your space until the afternoon or evening.
 - Be sure to read the **Material Handling Information (R-1)** to familiarize yourself with GES procedures.
 - Fill out the **Material Handling Order Form (R-2)** and return to GES.
 - Fill out the **Freight Service Questionnaire (R-7)** and return to GES.
 - Fill out the appropriate **Shipping Labels (R-5 and R-6)** depending on which shipping method you chose and affix to each box in your shipment.
- **Signs/Graphics** – All graphics must be either laminated or mounted to a backing such as foamcore. Exhibitors must provide their own Velcro or double-sided tape. Dimensions of the panels can be found on the next page and you can also contact GES to produce special panels at an additional cost. To order custom graphics for your turnkey package, please contact Imelda Trevino at itrevino@ges.com.
- **Payment** – Be sure to fill out the **Payment and Credit Card Charge Authorization Form (G-2)** once you are finished filling out all of your GES order forms.
- **For General Rules and Regulations** - Please refer to the Exhibitor Manual at www.cesweb.org/exhibitors/manual. You can also check out hot topics and show planning resources at www.cesweb.org/exhibitors/showPlanning.

What you need to know on-site:

Your turnkey booth will be fully assembled by Saturday, January 8, 2012 at 8 a.m. If you have any questions once you arrive on-site, visit the GES Servicer in your hall.

We hope these instructions will provide you with everything you need to prepare for the 2012 International CES. If you have any questions, Please contact Martina Mirabella, Coordinator, CES Operations at mmirabella@CE.org or 703-907-5243. We look forward to seeing you in Las Vegas!

A handwritten signature in black ink that reads "Martina Mirabella". The script is fluid and cursive, with the first name "Martina" and last name "Mirabella" clearly legible.

THE GLOBAL STAGE FOR INNOVATION

PRODUCED BY  CEA

Las Vegas Convention Center & Las Vegas Hilton

Due to the volume of display crates and the limited aisle space available during show setup, a **CLEAN FLOOR POLICY** will be enforced for the 2012 International CES.

Please adhere to the following regulations:

Sunday, January 8, 2012

- ASAP** Crates should be unpacked and labeled "empty" for removal from the floor as soon as possible.
- 6:00 PM** All crates must be empty and labeled for removal.
- 10:00 PM** All crates will be removed from the building regardless of status.
- 10:00 PM** Visqueen must be removed, rolled and placed in the aisle for removal.

Monday, January 9, 2012

- 1:00 PM** Carton, fiber cases and packing material must be empty and labeled.
- 1:00 PM** Accessible storage items must have a work order submitted for pick-up and be labeled for removal.
- 3:00 PM** All booths must be completely set (Carpet is not mandatory at the Las Vegas Hilton as this show location already has existing carpet).
- 3:00 PM** Booth space not occupied by 3:00 PM. will revert to CES.
- 7:00 PM** All aisles must be 100 percent clear of product or any other items that may impede GES in setting down aisle carpet.

Monday, January 9, 2012 is scheduled as a product testing, booth touch-up and rehearsal day. These procedures are intended to facilitate the convenience of arrival and set-up for the exhibitor and to ensure that CES opens on schedule.

We both thank you for your cooperation and wish you a successful show.

CES Operations and Global Experience Specialists, Inc. (GES)

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

ELECTRICAL ORDER CHECKLIST:

- ☐ Check rating plates on your equipment to ensure that you will have the proper power to operate your display.
- ☐ Do you require additional lighting? We can handle a variety of lighting options to enhance your display.
- ☐ Order 24 Hour power if required for refrigeration, computer systems, water pumps, heaters, etc.
- ☐ If distribution is required, include a detailed electrical floor plan. Indicate both main power location(s) and distribution location(s). You may use the Booth Layout (Form H-3) for this purpose or provide your own floor plan.
- ☐ For safety reasons inspections may be conducted at show site for any electrical work performed by non-GES personnel. A fee of \$ 300.00 may be assessed.
- ☐ Indicate your electrical labor requirements for equipment hook-ups and/or power distribution on the Electrical Labor Order Form.
- ☐ You may pre-wire your equipment to match our receptacles. Here is a list of the plugs that match our equipment receptacles:
 - 15 amp 120 volt: Standard U-ground cord cap
 - 20 amp 208 volt 1Ø or 3Ø: Leviton 3521 or Hubbell 3521
 - 60 amp 208 volt 1Ø or 3Ø: Aero Plug Y560P or Daniel Woodhead Plug Y560P
 - 100 amp 208 volt 1Ø or 3Ø: J-Tech Plug J5100P or Litton-Veam Plug CIR01GRH
- ☐ Avoid code violations. Check the electrical code requirements on this information sheet.
- ☐ To secure the discount rate on outlets and labor, the following must be received by the discount deadline date:
 - Complete form of payment including credit card authorization (3rd party see G-3 form)
 - E-2 Electrical Rental Order Form
 - E-3 Electrical Labor Order Form with dates & times
 - H-3 Booth Layout Form or customer supplied scaled floor plan in CAD or pdf format (diagram must include MDL for power, distribution, orientation and all 1000watt overhead focus points)

ELECTRICAL CODE

Electrical requirements for an exhibit at all convention facilities are for the safety of all Exhibitors and are based on national electrical codes and local ordinances. Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits at all convention facilities may be inspected to determine if any violations exist. If they are found, qualified electricians are available to correct the problems. This work will be performed on a time and materials basis. If the Exhibitor does not wish to have the fault corrected, electrical service to the offending booth will not be connected.

If an Exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to convention facilities.

Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember these points:

- All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.
- Spot or flood lighting is a hazard when lamps are too close to fabrics or other material which can be affected by heat.
- The use of clip-on sign sockets, latex, or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.
- Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities. Please leave all 2-wire cords at home!
- Exhibitor is responsible for providing surge protectors for their Goods. GES is not responsible for loss or damage resulting from power surges. Furthermore, GES's liability for any and all loss or damage is limited to the value of the cost of electrical services provided or depreciated value of Goods, whichever is less.

If you have any questions, please call us at 800.475.2098

Remember these important facts when ordering labor:

1. Exhibitors can take advantage of an composite rate at the Las Vegas Convention Center (see Power Distribution Labor Order Form, E-3, for rates):
Composite: Rates for Saturday, January 7, 2012, Sunday January 8, 2012 and Monday, January 9, 2012 will be billed at composite rate.
2. Labor is only guaranteed at 8:00 AM Guaranteed start times for January 2 - 9, 2012 before 8:00 AM.
3. There is a minimum of 1 hour in, ½ hour out for all labor ordered.
4. Monday through Friday 8:00 AM to 5:00 PM is straight time. Holidays and weekends are billed at overtime rates.
5. **Labor dismantle is charged at 50% of total labor in. Overtime rates may apply. Monday, January 2, 2012 is an observed holiday for electricians and will be billed at the OT rate.**
6. **A supervision surcharge of 30% will be added to labor performed when exhibitor or exhibitor's representatives are not present.**
7. **Labor ordered at show site will be surcharged at 30%.**

Where will my outlet be located?*

There are four different types of trade show booths: Line Booths, Peninsula Booths, Back-to-Back Peninsula Booths, Pavilion Booths, and Island Booths. Each type of booth has its own standard method of installation. In the following diagrams, the symbol represents the approximate location of power outlets. Main drop locations must be indicated on the floor plan as MDL:

Line Booths

Peninsula Booths

Back-to-Back Peninsula Booths

Island/Pavilion Booths

One drop within booth when power source is in ceiling or one location on perimeter when power is in the floor.

How much power do I need?

Calculate your lighting needs by adding wattage in each location. For other equipment, read the ratings from the metal plates attached to each unit.

120 Volt Single Phase
60 Cycle
1000 Watts

230 volts
30 Amps
3 Phase

Line Booths, Peninsula Booths, or Back-to-Back Peninsula Booths:
Your pre-ordered electrical outlet will be installed at the rear of your booth, at the drape line.

***Please contact GES for specific location of power as sources vary based on location.**

Island or Pavilion Booths: You need to designate one location for each outlet you order. Multiple outlet locations will be charged on a labor and material basis. For facilities with power originating in the floor, your electrical outlet will be placed at one location at our discretion. All other distribution will be done on a time and material basis. If you fail to provide us with a floor plan, outlet will be placed at one location at our discretion.

All exhibitor disputes must be resolved at show site, before the close of the show

1. GES is not responsible for voltage fluctuation or power failure due to temporary conditions. Exhibitor is responsible for providing surge protectors for their Goods. GES is not responsible for loss or damage resulting from power surges. Furthermore, GES' liability for any and all loss or damage is limited to the value of the cost of electrical services provided or depreciated value of Goods, whichever is less. All electrical installations and connections to all electrical service should be made by a GES electrician. GES will not be responsible for any damage or loss to any equipment, component, computer hardware or software, and/or any damage or bodily injury to any person caused by the installation, connection, or plugging in of any electrical outlet by persons other than a GES electrician.

2. Electricity will be turned on 30 minutes prior to show open and will be turned off within approximately 30 minutes after show close.

3. **OUTLET LOCATION & DISTRIBUTION**— All electrical outlets will be installed on the floor at the draped backwall of in-line and peninsula booths. All electrical outlets for island booths will be dropped to one main location per the Exhibitor's floor plan. If no plan is provided, the outlets will be installed at our discretion. Any change in location and/or additional power drops are chargeable on a time and material basis. Distribution and connection of outlets are chargeable on a time and material basis. **The first ninety feet of cabling to deliver power to your booth is free. If additional cabling is necessary, to power your booth, it will be charged at a time, material and motorized equipment basis.** See Electrical Labor form E-3

4. **GES JURISDICTION** (Requires labor and/or material) — All distribution of electrical wiring. All facility overhead distribution of electrical wiring, and the distribution of same from product to booth and from booth to booth. All motor and equipment hook-ups requiring hard wiring connections. Installation and/or repair of electrical fixtures. Installation of electrical motors and electrical apparatus to be energized.

5. **Total combined wattage within booth space exceeding 20 amps will require electrical booth work labor. Labor is required to inspect and hook-up equipment pre-wired to plug into our system. Exhibitors are not permitted to use power unless ordered. Exhibitors found using outlets without an order will be subject to the regular rate for outlets used. Sharing power or plugging into facility outlets is strictly prohibited.**

6. **ELECTRICAL LABOR** (See Electrical Labor Order Form) — Labor rates are subject to labor contract effective at time of show.

7. **Please include H-3: Booth Layout Form, or provide your own detailed drawing, for placement of main drop locations (MDL), outlets and fixtures. Regular rates on outlets & labor will be applied, regardless of when the order was received, if either is not provided with your electrical order.**

* On Stanchion, In-line Booths Only. Labor is not included for all other types of booths and will require a booth work labor order. (see E-3 form)

Important Information & Rates

Starting time can be guaranteed only when labor is requested for the start of the working day at 8:00 AM. All exhibit labor for 8:00 AM starting times will be dispatched to booth space. Confirm labor and equipment by 2:30 PM the day before date requested. Please have an authorized representative in booth to supervise the work to be done and sign the work order upon completion. Equipment and labor cancelled without a 24 hour notice shall be charged a one (1) hour cancellation fee per worker and equipment. If Exhibitor fails to use the workers and equipment at the time confirmed, a one (1) hour "Not Ready" charge per worker and equipment will apply.

The minimum charge for labor is one (1) hour per worker and equipment. Labor thereafter is charged in half (½) hour increments per worker. Exhibitors requiring electrical labor will automatically be charged a dismantle fee. Dismantle labor is charged at 50% of installation labor based on show close/move-out days/time, and does not need to be scheduled. Overtime rates may apply. Gratuities in any form, including cash, gifts, or labor hours for work not actually performed are prohibited by GES. GES requires the highest standards of integrity from all employees. Please call our confidential Always Honest hotline at 866.225.8230 to report fraudulent or unethical behavior. All rates are subject to change if necessitated by increased labor and material costs. Dismantle will be billed at 50% of the installation costs.

Network Security Declaration

Center: Las Vegas CC (030) - NV
Show: 2012 INTERNATIONAL CES

Company Name: _____
Booth / Room #: _____
Customer / Ref #: 2012 - 030 - 892 -

The Network Security Policy implemented for this Facility requires Customer(s) adherence to several necessary precautions in order for Smart City to maintain a healthy, viable network for all Customers. This declaration of compliance with the security requirements as noted herein is an acknowledgement of Smart City's filtering policies and must be completed, signed by an authorized Customer representative and mailed or faxed to Smart City prior to the requested network service(s) being activated for Customer's usage.

Network Security Policy:

Smart City requires that all devices directly or indirectly accessing Smart City's network(s) have the latest virus scan software, Windows® security updates, system patches, and any other technological precautions necessary to protect the Customer(s) and others from viruses, malicious programs, and other disruptive applications. Any device(s) which adversely impacts Smart City's network(s) may cause service interruptions to Customer(s) which can lead to disconnection of the Customer's equipment from the network(s), with or without prior notice at Smart City's sole discretion. The device(s) in question will remain disconnected until all issues are adequately resolved. All charges will apply and no refunds will be given. Additional charges may apply for trouble diagnosis and / or problem resolution.

Smart City has implemented filtering policies on all Internet routers. These filters block all inbound Internet Control Message Protocol (ICMP) -- Ping, Traceroute, etc. -- destined to any Smart City Network(s). Smart City understands that Ping and Traceroute are valuable troubleshooting tools; therefore Smart City's Policy does allow ICMP (Ping & Traceroute) packets sourced from any Smart City network(s).

Further, to avoid infection by common Internet worms (Nachi, MSBlaster, LoveSAN, etc.), Smart City has implemented similar filters on the following TCP and UDP port numbers: UDP – 137, 138, 402, 1434 and TCP – 135, 139, 402, 445, 4444.

Customers requiring inbound or outbound access to any of the filtered ports, should contact a Smart City customer service representative in advance of the event with details of the specific requirements so that Smart City may consider the potential of a customized alternative.

Each Customer's business is important to Smart City and with advanced and timely notification of a Customer's needs we are confident that we can provide network services that perform as expected for all clients.

***** Please inform all show site personnel about the importance of Smart City's Network Security compliance issues *****

***** Services are activated after Smart City is in receipt of this signed declaration of compliance with our network security requirements *****

Floor Plan – Communications Cable

Center: Las Vegas CC (030) - NV
 Show: 2012 INTERNATIONAL CES

Company Name: _____
 Booth / Room #: _____
 Customer / Ref #: 2012 - 030 - 892 -

Voice and Data communications cabling. Smart City is the **exclusive installer** of all cabling (except Electrical) including but not limited to Voice and Data communications cabling. Smart City provides cabling to booths, within booths (under carpet and flooring) and from booth-to-booth. Fiber Optic, twisted pair (Category 3, 5 and 6), coaxial and all other non Electrical cables fall under Smart City's area of expertise.

IMPORTANT!! Prior to installation of service, a complete floor plan is required. Please utilize this grid should you not have your own floor plan to send us. You may use a different floor plan for each service group (Telephone, Internet, etc.) or combine all services on one floor plan. For a floor plan to be considered complete it **must** include all the information listed below (Main Distribution Location "MDL", designated location of items within the booth, surrounding booths, scale-length and width).

Adjacent Booth or Aisle# _____

Adjacent Booth or Aisle# _____

X = Main Distribution Location (**MDL**) – The originating line(s) for service, whether from overhead, a floor pocket or a column, will be delivered to a "MDL" before being distributed within your booth. Example: Storage area, back of booth, etc. (unless specified, the default for the "MDL" will be the back of the booth or at Smart City's discretion, the most convenient location). All distribution of services to their final destination within the booth will originate from the "MDL". A per line move fee will apply to relocate services within your booth after they have been engineered and / or installed.

T = Location of Telephones, Fax lines or other telecommunications equipment "T".

I / H / PC / C = Location of primary Internet Service "I", Audio Visual "AV", Hubs "H", Patch Cables "PC" and / or Computers "C". For Smart City to perform your floor work, you will need to indicate the location of each item you want cabled. Make sure to order your floor work, hubs, and patch cables early and in advance of the show moving in.

Orientation = The Booth or Aisle #'s surrounding your booth. A minimum of one surrounding Booth or Aisle # is required (two or more would be more helpful) for Smart City to accurately install your services.

Size = Booth dimensions (example 10x10) _____. **Scale** = 1 Box is equal to _____ ft.

NETWORK SERVICES AT THE LAS VEGAS CONVENTION CENTER

FOR YOUR CONVENIENCE!

Feel free to contact our on site customer service team at the CES Hotline 702-943-6CES or email servicedesklvcc@smartcity.com.

For general billing or service questions you may also contact our national customer service team at 888-446-6911.

FREQUENTLY ASKED QUESTIONS

- Q. *What type of Internet service should I order?*
- A. **What type of Internet service you need will be dependent on how you intend to use the service. If you have questions regarding what service you need please call our CES Hotline at 702-943-6237 or email servicedesklvcc@smartcity.com.**
- Q. *What is the difference between a Public IP and a Private IP Address?*
- A. **A Public IP is also referred to as a "real" IP commonly used in VPN connections and provides more robust capabilities than a Private IP. A Private IP allows the user to reach the World Wide Web and interact with web pages however, among its variety of limitations, connecting to servers outside of the Las Vegas Convention Center is not supported.**
- Q. *What type of service does Basic EtherNat supply?*
- A. **NetExpress & NetBasic (Shared Services) are the newest shared (Private IP) services provisioned by Smart City allowing a user to utilize uploads speeds of up to 256K – 512K and download speeds up to 512K – 1.5Mb respectively. These services work with a username and password and support one computer per line. These services are only available in a limited quantity.**

Q. *What if I want to webcast or stream information to the Internet, what type of connection would I need?*

A. Smart City can provide customized dedicated networks at speeds of 1.5Mb to 45Mb and greater. You must order one of these Dedicated networks in order to stream information from your booth. The NetDedicated Plus Service is a High Bandwidth dedicated 3 Mbps of bandwidth and includes 29 IP addresses.

Q. *I have a router that I intend on using in my booth, will that be a problem?*

A. YES, routing devices are not allowed on our Shared Services, the use of routers can be very detrimental to performance when used on our network. Smart City reserves the right to disconnect service in any booth when devices attached to the Smart City provided connection (routers of any kind and access points) could possibly be disruptive. Smart City can usually allow most routing devices (programmed and functioning properly) on our customized dedicated networks.

Continued from last year: All Single Line, Multi-Line, and Dedicated Line Telephone services include Directory Assistance, Information, "0+", Operator assisted, 1-800, 950, credit card type call usage and unlimited Domestic Long Distance. International Call charges will apply.

FREQUENTLY ASKED QUESTIONS

- Q. *Do I need to dial a "9" to dial outside the convention center?*
A. **Yes, if you order our Standard Single line or our Multi-Line phone PBX Service. If you order a Dedicated Line you are not required to dial a "9" to call outside the building.**
- Q. *What type of phone service should I order to use with a fax machine?*
A. **Our Standard Single Line service would be the most appropriate service.**
- Q. *Can I use an ISDN line to access the Internet?*
A. **Yes, but only if you have your own ISDN modem and your own ISP that has access for an ISDN dial-up account. This service is typically used for broadcasting and is not a recommended service for Internet connections.**
- Q. *What is a dry pair (Section 6 on the order form)?*
A. **A "Dry Pair" is an extension of a circuit ordered through a 3rd party, like Sprint, and connected to equipment in the Smart City demarc. Smart City extends the circuit to the booth for the fee listed on the order form.**
- Q. *How do I order my phone line restricted from long distance?*
A. **All Smart City telephone lines are unrestricted for long distance unless requested otherwise. A line can be restricted as "CC", allowing the line to make credit card, toll free and local calls, or "IR" which allows all calls except International calls (Intl calls are restricted). To order your line with restricted access choose which type of restriction you require under "Long Distance Restrictions" on our Telephone Services order form.**
- Q. *I have my own multi line phone. Can I bring it with me to the show to use?*
A. **Smart City's Multi-Line service is one phone line delivered with a digital signal. Only Avaya proprietary telephone equipment will work with this service. Smart City provides all the phones for this line.**

FREQUENTLY ASKED QUESTIONS

Q. Under what circumstances is it mandatory to use Smart City for booth cabling?

A. When the communications cables (telephone, Internet or Fiber) will be laid on the show floor underneath the carpet/flooring or across aisles.

Q. How much does the labor for floor work cost?

A. Our rate is \$75.00 per hour per technician during normal business hours. Our normal business hours are 8am-5pm Monday through Friday. Labor scheduled on Saturday or Sunday between 8am-5pm is still \$75.00 per hour per technician, however, labor requested before 8am or after 5pm on any day of the week will be billed at the time and a half rate of \$112.50 per hour per technician.

Q. How do I know how many hours of floor work I need?

A. As a rule of thumb, please estimate one hour of floor work for every four cables that need to be run in the booth. If you have a non standard booth or feel that you may have non standard cabling issues, please call us directly at 702-943-6237 or email us at: servicedesklvcc@smartcity.com

Q. *What if I want to run the cable along the trussing in my booth, will Smart City need to perform this work as well?*

A. No, only cables run under the carpet / flooring, across door ways, aisles and other attendee traffic areas must be run by Smart City.

Q. *What if I want the cables run under the carpet, but I have my own cables?*

A. You are more than welcome to supply your own cables for your booth. However, we do ask that you ship them to us so that we receive them no later than December 20, 2011 at the following address:

Las Vegas Convention Center
3150 Paradise Rd.
LVCC Warehouse (Door #12)
Attn: Smart City/Chris Marsh
Las Vegas, NV 89109

Also, please be aware that Smart City is not responsible for customer provided cable / equipment including but not limited to testing or repairing cables.

Q. *I am exhibiting in a meeting room, will Smart City need to provide the labor to run the cables?*

A. No, you are more than welcome to run your own cables in a meeting room, however, building regulations prohibit anyone from running cables across entrances or exits in meeting rooms and other attendee traffic areas.

ONLINE WEB ORDERING AT THE LAS VEGAS CONVENTION CENTER

You can order Online with Smart City at
<https://www.smartcitynetworks.com/order/center.aspx?center=030>.

The website is fully functional 24 hours a day.

The screenshot shows the Smart City Networks website. At the top, there is a navigation bar with links: [Priority Networks, Inc.](#), [CCPI](#), [Smart City Telecom](#), and [Smart City Home](#). Below this is a search bar and a contact number: **Need Assistance? Call us at 1-888-446-6911.**

The main navigation menu includes: [Products & Services](#), [Place An Order](#), [Facilities](#), [Media](#), and [About](#).

How To Place An Order

Placing an order for services is quick, easy, and customer friendly.

Just follow these simple instructions:

1. This site requires JavaScript and pop-up windows. Please activate JavaScript and allow pop-ups for this web site in your browser before continuing.
2. **This site requires JavaScript and pop-up windows. Please activate JavaScript and allow pop-ups for this web site in your browser before continuing.**
3. Click the Place Order Tab and then click Begin Order Process. At this point you are entering our "Secure Site".
4. Select Event Facility and Show:
 - a. On the map, click the Region or state where your show is taking place. A list will appear with all the Facilities we support in that region, select the one where your show is being held at. If it is not on the list, we probably do not provide services there but feel free to email us with information about your show and perhaps we can help you.
 - b. After you select the Facility, you will see a list of upcoming shows. If you do not see your show listed, it may exist but we haven't entered the event into our system yet. Send an email to us@smartcity.com with the name of the show, the show dates and the center where the show is to be held. A Customer Service Representative will assist you with placing your order.
5. Read the information on the Center page and then click the "Order Now!" button.
6. Please read the INSTRUCTIONS section on the online order form.

(STEP 1 of 8)

7. Go to the "Show Information" section, then to "Show Name". Click on the drop down menu; a list of events will appear. Please find your event and select it from the list.

Screen content and designs easily steer the customer through the ordering process. Every customer will have the online convenience of requesting services through this website based, user-friendly tool.

2012 International CES

Las Vegas Convention Center, Las Vegas Hilton
January 10 - 13, 2012

Material Handling is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost to transport your exhibit material to and from the event.

Benefits of Advance Shipping to the GES Warehouse

- Storage of materials for up to 32 days prior to your show.
- Delivery of Shipments to your booth by your published set-up time.
- Some convention centers and hotels do not have facilities for receiving or storing freight.
- Saves valuable set-up time.

How to Ship in Advance to the GES Warehouse

- Remove all old shipping and empty storage labels.
- Fill out and attach enclosed Advance Shipping labels.
- Complete the enclosed Material Handling Order Form.
- Remember to confirm receipt of your shipment prior to leaving for the show.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise.
- Certified weight tickets must accompany all shipments.
- Take the time to ensure that your display and products are packed neatly and securely.
- Do not ship uncrated materials to warehouse.
- For a rate quote please call GES Logistics at 1.888.454.4437.

How to Ship to Exhibit Site

- Consign all **domestic** shipments c/o GES.
- Do **not** consign **international** shipments c/o GES; however, please contact our international division at:
GESLogistic_international@ges.com.
- Remove all old shipping and empty storage labels.
- Fill out and attach enclosed Direct Shipping labels.
- Complete the enclosed Material Handling Information Sheet.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise.
- Certified weight tickets must accompany all shipments.
- Take the time to ensure that your display and products are packed neatly and securely.
- If you are shipping your carpet and/or lighting truss, make sure it is loaded last so it can be unloaded first.
- For a rate quote please call GES Logistics at 1.888.454.4437.

Freight Carriers

Select a carrier with experience in handling exhibition materials. Make sure to give your carrier explicit information as to where and when to check in. Delivery and pick up times are often out of the range of "normal" delivery hours, make sure your carrier is committed to meeting your target dates and times. While making shipping plans to the Show, also plan for the return shipment. For a rate quote please call GES Logistics at 1.888.454.4437.

Tracking Shipments

Confirm your delivery date and time with your carrier, and have all pertinent shipping information in the hands of your representative at show site. You may also want to review the return of your Goods at the end of the show. GES Logistics domestic shipments can be tracked online by going to:
www.ges.com/everything/logistics/tracking/.

Estimating Material Handling Charges

Handling charges are based on the weight of the freight. Shipments are billed by the hundred weight and rounded up to the nearest hundred. Minimum per Shipment may apply, see enclosed Material Handling Order Form for details. Please prepay all shipping charges - GES cannot accept or be responsible for collect shipments. Crated and uncrated shipments must be separated and clearly identified on separate bills of lading with separate weight tickets - otherwise GES will invoice the entire load at the Uncrated rate.

- **Crated** – Material that is skidded, or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
- **Uncrated** – Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.
- **Overtime Surcharges** - Shows that move-in or move-out on weekends or after 4:30 PM during the weekday, may be subject to additional overtime surcharges. See enclosed Material Handling Order Form for details.

Estimating Material Handling Charges, *continued*

- **Late Surcharges** – May be charged an additional overtime surcharge
 - a. If advance freight is received before or after the published deadline date for shipments to arrive at the warehouse. See enclosed Material Handling Order Form for details.
 - b. Freight shipments sent to the show after it has opened.
 - c. Freight shipments that are received at showsite that do not meet their published date & time.
- **Shipment Surcharges** – A surcharge will be incurred per shipment for those that are received with incomplete information on shipping labels identifying company name and booth number and/or shipments that are left on the show floor at the end of the show with no labels and no bill of lading turned in.

Machinery Labor and Equipment

Labor and equipment for uncrating, unskidding, positioning, leveling, dismantling, recrating, and reskidding machinery and/or equipment must be ordered separately. Place your order for this labor using the In-Booth Forklift & Labor Order Form. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Storing Empty Containers

Properly labeled empty shipping cartons will be picked up, stored, and returned after the show. Labels are available at the **GES Servicenter**® or from your GES Service Executive and are for empty storage only. Depending on the size of the show, it can take from two to twelve hours to return empty crates. Do not store any items in crates marked "empty." GES has no liability for damage to crates or items sent to empty storage in crates.

Outgoing Shipments

An OMHF (Outbound Material Handling Form / Bill of Lading) must accompany all outgoing shipments. Shipping information, outbound forms and labels will be available at the **GES Servicenter**®. Exhibitors selecting non-official carriers will need to make their own arrangements for pickup. Make sure that someone from your company will be on-site to oversee the outbound shipment of your display and product.

Measure of Damage

- **Liability** – GES is liable for loss or damage to your Goods only if the loss or damage is caused by GES negligence.
- **Sole Relief** – If found liable for any loss, GES' sole and exclusive maximum liability for loss or damage to Customer's Goods is limited to \$.50 (USD) per pound with a maximum liability of \$100 (USD) per container, or \$1,500.00 (USD) per shipment, whichever is less.

Insurance

All of your Goods should be insured by your own insurance policy. Although we do our best to handle your Goods as our own, there are many variables in shipping and handling that can affect your exhibit and products. GES has published GES Terms & Conditions of Contract that are in this exhibitor service manual. Please read them carefully. It is recommended that your Goods be insured.

Work Zone

Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

GES Warehouse will be closed December 24-26, 2011 in observance of the Christmas Holiday and January 1, 2012 for New Year's Day.

Certified Weight Tickets Are Required For All Shipments:

Drivers with inbound shipments must check in at the GES warehouse or exhibit site by 2:00 PM to be guaranteed same day unloading. Warehouse receiving hours are Monday - Friday, 8:00 AM - 4:30 PM; Closed 12:00 PM - 1:00 PM & Holidays.

Advance Shipment to Warehouse (300 lbs. minimum per shipment)

Advance Shipments to Warehouse: GES will receive uncrated carpet and pad at the warehouse. **Price includes:** unloading crated freight (the warehouse cannot receive uncrated shipments); storing at warehouse for up to 30 days (any materials stored beyond 30 days will incur additional costs applied to your invoice); reloading onto trucks and delivery to the exhibit site; unloading freight and delivery to your booth; picking up, storing, and returning empty shipping containers; and reloading freight for return to your specified destination from exhibit site.

Crated Materials	
Rate	\$ 54.46 cwt

Arrival Dates for Shipments:

Advance Dates:

Tue, Nov 29, 2011: Advance shipments may begin arriving at warehouse.

Wed, Dec 21, 2011: Last day for crated shipments to arrive at the advance warehouse without surcharges. **A \$16.34 per CWT (\$49.02 minimum) late arrival surcharge based on the above rates will apply to each shipment received at the advance warehouse after this last date.**

Direct Shipment to Exhibit Site (300 lbs. minimum per shipment)

Direct Shipments to Exhibit Site: Price includes: unloading freight and delivery to your booth; picking up, storing, and returning empty shipping containers; and reloading freight for return to your specified destination from exhibit site. However, any materials shipped back to warehouse from exhibit site will incur additional costs applied to your invoice.

Crated Materials	
Rate	\$ 39.87 cwt

Arrival Dates for Shipments:

Direct Dates:

REFER TO TARGETED FLOORPLAN: Refer to targeted floorplan for your assigned date. An additional charge of \$12.06 per CWT (\$36.18 minimum) will apply to those shipments not meeting their targeted date and time. Trucks checking in after 2:00 PM can not be **guaranteed** same day unloading and may be subject to off-target surcharges.

Uncrated Materials	
Rate	\$ 48.82 cwt

Product Arrival:

Product arrival is scheduled for January 7, 2012. For security purposes it is recommended that products be scheduled to arrive on or after this date. All carrier shipping documents must identify your shipment as product. If your documents do not identify your shipment as product, it may be considered exhibit material and off-target surcharges may apply

Small Packages: Cartons and envelopes received without documentation will be delivered without guarantee of piece count or condition. Maximum weight is 50 lbs. per shipment, per delivery. This includes UPS and Federal Express shipments. All shipments received via air carrier that do not fall under the small package category will be billed at standard material handling rates.

Payment Policy

Payment for Services — GES requires payment in full at the time services are ordered. Further, GES requires that you provide a credit card authorization with your initial order. For your convenience, we will use this authorization to charge your account for services, which may include labor, material handling, or any applicable fuel or energy surcharge.

Discount Prices — To qualify for discount pricing, orders must be received with payment on or before the discount price deadline(s).

Method of Payment — Global Experience Specialists accepts MasterCard, Visa, American Express, check and bank wire transfer. Purchase orders are not considered payment. All payments must be made in U.S. funds drawn on a U.S. Bank. *Exhibitors will be charged a \$50.00 fee for returned NSF checks.*

Third Party Billing — Each exhibiting firm is ultimately responsible for all charges incurred on its behalf. Global Experience Specialists reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See *Third Party Billing Request* form.

Tax Exempt — If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the GES office for this show. Taxes vary by location and will be added to your invoice, if you do not submit your tax exempt certificate prior to the deadline.

Adjustments and Cancellations — No adjustments to invoices will be made after the close of the show. Please refer to the individual forms for labor, etc., for cancellation fees. All orders cancelled by the Exhibitor or due to the cancellation of an event or their non-participation may be subject to cancellation fees equal to 50% - 100% of the total order, based upon the status of move-in, work performed and/or GES set-up costs or expenses. A minimum non-refundable deposit of \$25.00 will be applied towards the invoice, unless there is a cancellation of your order. Additionally, GES retains the right to implement/assess a fuel or energy surcharge on all services as necessary based upon market conditions.

Lead Management Solutions

Don't let the dollars you

spend on exhibiting go to waste!

SWAP™ is the latest in lead retrieval. Smart phone owners can download an application directly to their phones enabling them to capture leads anywhere: in the booth, sessions, meetings, events, in the hallway, on the bus, etc. Notes can be taken with each lead. Now lead retrieval is no longer limited to the show floor or by show hours.

All leads captured are consolidated in your SWAP Portal.

The Optium™ S400 is the new standard in lead retrieval. This compact, lightweight unit is designed to fit easily on any exhibit booth counter. This unit includes a paper printout, and leads are also instantly captured via an on-board USB drive which allows for quick and easy follow-up. The optional custom lead form printout makes lead qualification a snap. All contact and demographic information is safely backed up in its internal memory.

Requires electricity.

The Optium™ TS600 adds a full color touch screen with easy-to-use onscreen electronic qualification to the Optium product line. The TS600 includes a paper printout as well as an on-board USB drive to instantly capture leads and allow for quick and easy follow-up. Attendee demographic information and survey responses are safely backed up in its internal memory. Standard onscreen qualification is included. If custom questions are desired, please contact our Lead Management Specialist for the custom survey template.

Requires electricity.

The Optium™ RT1000 reader caters to exhibitors who require a mobile method for capturing information and instant access to that data. The RT1000 is a handheld wireless unit that immediately sends leads to a secure, password protected website. Lead follow-up can begin immediately and booth activity can be monitored, in real time, from remote locations. A color screen with a full QWERTY keyboard provides the ability to add custom notes and also allows for easy electronic qualification through a standard or customized survey. If custom questions are desired, please contact our Lead Management Specialist for the custom survey template.

Battery Powered – No electricity required.

ExpoCard™ Connect For exhibitors that want optimum customization and qualification using their laptop or PC, ExpoCard Connect gives exhibitors the option to use a standard set of key qualifiers or to fully customize an in-depth survey which they can use to qualify each booth visitor. Contact information can be quickly edited for accuracy and the large notes field provides for additional in-depth information capture. Each package includes software, a cable connector and badge reader. Laptops are not included but available under our "Full Service" option - call for details. Please indicate your desired survey level when placing your order. ExpoCard Connect runs off a USB stick and no software installation is required.
