2006 International CES — PLEASE CHECK BOOTH LOCATION

January 5-8, 2006

☐ Las Vegas Convention Center ☐ Las Vegas Hilton

DEADLINE DATE:

December 7, 2005

Labor & Equipment Rates

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual to order Electrical Forklift & Labor services.

Exhibitors at the **Las Vegas Convention Center & Las Vegas Hilton** will require TSE forklifts, fork & basket, condors and/or scissor lifts for the installation of energized equipment; i.e.; lights, light boxes and structured mounted signs. Forklifts are required for energized electrical equipment weighing 200 lbs. or more and/or placed at heights greater than 5 feet to the bottom of the equipment. If you require a forklift, a crew will be assigned consisting of a forklift with an operator. If you do not require a forklift, order the number of laborers required.

Height to bottom of equipment: _____

Weight of equipment: _____

HOURLY RATES		Forklift & Basket with Driver & Electrician	Forklift with Operator	Electrician
Times				
Straight Time	Between 8:00 AM and 5:00 PM Weekdays	\$ 242.00	\$ 129.25	\$ 72.00
Overtime	Before 8:00 AM and after 5:00 PM Weekdays, Weekends and Holidays	\$ 387.00	\$ 201.80	\$ 143.00

The minimum charge for labor and equipment is one (1) hour per electrician and forklift. Equipment and labor thereafter is charged in half (1/2) hour increments. Equipment and labor cancelled without 24 hour notice will be charged a one (1) hour cancellation fee per electrician and forklift. Gratuities in any form, including cash, gifts, or labor hours for work not actually performed are prohibited by GES. All rates are subject to change if necessitated by increased labor and material costs. If exhibitor fails to use the electricians and equipment at the time confirmed, a one-hour "No-Show" charge per electrician and forklift will apply.

Order - Outbound rates will be calculated at one-half of inbound hours.

Reserve forklifts and/or labor below. Starting times can be guaranteed only when labor is requested for 8 am. Confirm labor and forklifts by 2:30 pm the day before date requested.

WE WILL NEED:

☐ Installation

☐ Dismantling

DATE	TIME (AM / PM)	# OF FORKLIFT CREWS	# OF EXTRA LABORERS

2006 International CES — PLEASE CHECK BOOTH LOCATION

January 5-8, 2006

☐ Las Vegas Convention Center ☐ Las Vegas Hilton

DEADLINE DATE:
December 7, 2005

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual to order Plumbing services.

By signing and delivering this form to Trade Show Electrical, customer agrees to all terms and conditions printed on this form.

To receive the advance rate, we must receive your order, along with full payment, by the deadline date above. All other orders will be processed at the regular rate. No credits will be issued on services installed as ordered even though not used.

IMPORTANT INFORMATION

- **COMPRESSED AIR** — Trade Show Electrical (TSE) is not responsible for moisture, oil, or water in our lines, loss of pressure or excess pressure. Exhibitors must supply their own filters, air dryers, or pressure regulators. ***Dedicated and 24 Hour service will be at 50% more the listed price.**
- **WATER** — Pressure may vary. No guarantee can be made of minimum or maximum pressures. If pressure is critical, exhibitor should arrange to have a pressure regulator valve or pump installed.
- **LABOR** — Laying of any lines under carpet or other flooring, or spotting from ceiling will be an additional labor charge.

IMPORTANT CONDITIONS AND REGULATIONS

- All material and equipment furnished by TSE for this service order shall remain TSE property and shall be removed ONLY by TSE at the close of the show.
- Wall, column and permanent building utility outlets are not a part of booth space and are not to be used by exhibitors.
- All equipment must comply with state and local safety codes.
- Claims will not be considered unless filed by exhibitor prior to close of exposition, no exceptions.
- Prices based upon current wage rates and are subject to change without notice.
- Under no circumstances shall anyone other than "Plumbing Personnel" make service connections.
- Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without TSE "Plumbing Personnel". However,

- all service connections to such equipment must be made by TSE "Plumbing Personnel" only.
- All equipment using water must have inlet and outlet properly tagged.
- Unless otherwise directed, TSE "Plumbing Personnel" are authorized to cut floor coverings to permit installation of service.
- Connection rates listed cover bringing service from main line to booth and do not include connecting equipment.
- Service outlet size will be determined by the volume required.
- All work performed within booth attaching lines to equipment will be charged on a time and material basis in addition to connection fees.
- A separate connection fee will be made for each piece of equipment using connected service, whether connected directly or otherwise.
- TSE must have 30 days notice in order to supply special regulators, strainers, traps, etc.
- All utility outlets include up to 50 feet of accomplished distance. Use of additional footage or equipment will be charged at the prevailing labor and materials rates.
- All outlets will be installed on the floor at the backwall of the booth.
- TSE Plumbing will not be responsible for sediment, color or taste of water in water line.
- All services will be disconnected/shut off at conclusion of show unless advance notice has been given and acknowledged.
- All cylinders must be firmly attached to exhibit. If cylinder must be made secure by contractor a labor charge may be added.
- A connection of a regulator to cylinder or equipment will be subject to a 1 hour minimum labor charge plus materials at prevailing labor rates.

PRICE LIST

ITEM #	DESCRIPTION	DISCOUNT PRICE	REGULAR PRICE

Lights Out Request

(LAS VEGAS CONVENTION CENTER & LAS VEGAS HILTON EXHIBITORS ONLY)

- If your booth space is at the **Sands Expo and Convention Center**, please refer to the Sands Expo and Convention Center “Lights Out Request Form” located in the “Sands Utilities” section of this Exhibitor Manual.
- Exhibitors at the **Las Vegas Convention Center** or **Las Vegas Hilton** requiring “Lights Out” must request this service through TSE.
- The Las Vegas Convention Center lighting system is set up in light banks, whereby, individual lights can not be turned off without turning off all the lights in the bank. It may be possible to unscrew or cover an individual light if it is easily accessible after booth set-up.
- If this form is returned to GES by December 14, 2005, a GES/TSE representative will contact you on-site by January 3rd, 2006 to finalize your “Lights Out” request. It will be determined at that time how many lights need to be turned off and what the estimated charge for this service will be. Payment for all associated charges will be due at the time of service. The minimum charge for this service is \$51.00 per light. Additional costs may be incurred depending on accessibility, labor and equipment required. Orders for “Lights Out” service may be placed on-site, but GES can not guarantee the completion of orders placed after January 3, 2006.
- All lights out orders are contingent on final approval by CES Show Management as they may affect neighboring exhibits. Questions about this service prior to CES can be directed to Deanna Iniguez with TSE at (702) 515-5715 or tse@ts-electric.com.

Page 1 of 2

2006 International CES — PLEASE CHECK BOOTH LOCATION

January 5-8, 2006

☐ Las Vegas Convention Center ☐ Las Vegas Hilton

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual.

Step-by-Step Guidelines to Completing Your Electrical Order Forms

TSE has been appointed exclusivity rights to provide electrical, stagehand, and plumbing services. This is a step-by-step guide to completing your Electrical Order Forms.

STEP 1

Total the single phase or three phase power requirements of all nameplates on your equipment. Complete form E-2, Electrical Rental Order Form,

How much power do I need?

Calculate your lighting needs by adding wattage in each location. For other equipment, read the ratings from the metal plates attached to each unit.

STEP 2

If you require any under carpet distribution, machinery hooked up, or the combination of all outlets and booth power is greater than 20 amperes and/or with a voltage greater than 150 volts then you will require electrical labor and we require a copy of the floor plan of your booth.

STEP 3

To receive the advance rate, the booth layout form (H3) or a scaled plan for electrical distribution must be attached to this form or e-mailed to tse@ts-electric.com on or before December 8, 2005. PDF, CAD, or JPG files are preferred. Complete form E-3, Electrical Labor Order Form.

Remember these important facts when ordering labor:*

1. Labor is only guaranteed at 8:00a.m.
2. There is a minimum of 1 hour in, ½ hour out for all labor ordered.
3. Monday through Friday 8:00 a.m. to 5:00 p.m. is straight time. Holidays and weekends are billed at overtime rates.
4. Labor dismantle is charged at 50% of total labor in. Overtime rates may apply.
5. A supervision surcharge of 30% will be added to labor performed when exhibitor or exhibitor's representatives are not present.
6. Labor ordered at showsite will be surcharged at 30%.

(For more details regarding TSE jurisdictions, see mid-section of Electrical Regulations and General Information Form)

STEP 4

If you require a forklift, fork and basket, condor and/or a scissor lift, complete form E-6.

STEP 5

If you require Stagehand Services, complete form E-7.

*Stagehand jurisdictions can be found on the bottom of form E-7.

STEP 6

If you require Plumbing Services, complete form K-1.

STEP 7

If you require any Water Filling and Draining Services, complete form K-1.

2006 International CES — PLEASE CHECK BOOTH LOCATION

January 5-8, 2006

☐ Las Vegas Convention Center ☐ Las Vegas Hilton

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual.

ELECTRICAL CODE AND SAFETY GUIDELINES

Electrical requirements for an exhibit at all convention facilities are for the safety of all exhibitors and are based on national electrical codes and local ordinances.

Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits at all convention facilities may be inspected to determine if any violations exist. If they are found, qualified electricians are available to correct the problems. This work will be performed on a time and materials basis. If the exhibitor does not wish to have the fault corrected, electrical service to the offending booth will not be connected.

If an exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to convention facilities.

Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember these points:

- All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.
- Spot or flood lighting is a hazard when lamps are too close to fabrics or other material which can be affected by heat.
- The use of clip-on sign sockets, romex, or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.
- Cube taps and cobra heads are prohibited in Las Vegas
- Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities.
- It is your responsibility to refer to your specific facilities rules and regulations.

Please leave all 2-wire cords at home!

USE TIMESAVING WIRING METHODS AND A DISTRIBUTION SYSTEM

Whenever possible, in conformance with the electrical code, use multiconductor interconnecting cables with approved quick-connect plugs or fittings. Here is a list of the plugs that match our equipment receptacles:

- 15 amp 120 volt: Standard U-ground cord cap
- 20 amp 208 volt 1Ø or 3Ø: Daniel Woodhead 26T10 or Hubbell 3521
- 60 amp 208 volt 1Ø or 3Ø: Daniel Woodhead Trade Show Plug Y560P
- 100 amp 208 volt 1Ø or 3Ø: Litton Veam Trade Show Plug CIRO1GRH

Exhibitors who require many standard outlets may wish to incorporate a power distribution system into their booth. Please contact our staff if you need more information at (800) 475-2098.

COMMONLY ASKED QUESTIONS

Where will my outlet be located?

There are four different types of trade show booths: Line Booths, Peninsula Booths, Back-to-Back Peninsula Booths, and Island Booths. Each type of booth has its own standard method of installation. In the following diagrams, the symbol ☒ represents the approximate location of power outlets:

Line Booths, Peninsula Booths, or Back-to-Back Peninsula Booths: Your pre-ordered electrical outlet will be installed at the rear of your booth, at the drape line.

Island Booths: You need to designate one location for each outlet you order. Multiple outlet locations will be charged on a labor and material basis. For facilities with power originating in the floor, your electrical outlet will be placed at one location at our discretion. All other distribution will be done on a time and materials basis. If you fail to provide us with a floorplan, we will bring your power to one location at our discretion.

Electricity will be turned on thirty minutes prior to show open and will be turned off within thirty minutes after show close.

"Sure Price" Electrical Billing Request Form

January 5-8, 2006

"SURE PRICE" ORDERING

DEADLINE DATE:

LAS VEGAS CONVENTION CENTER & LAS VEGAS HILTON EXHIBITORS ONLY

November 11, 2005

Trade Show Electrical is pleased to offer 2006 CES Exhibitors at the Las Vegas Convention Center and Las Vegas Hilton the option of ordering "SURE PRICE" electrical billing.

If you choose, Trade Show Electrical will furnish you with a guaranteed SURE PRICE for the complete installation of your electrical services. By agreeing to the determined amount, it will become a binding agreement and that amount will be your total electrical bill. **Adequate task descriptions, a complete list of all equipment to be installed, and sufficiently detailed drawings must be provided to TSE by the advance order deadline date of November 11, 2005.** Please allow sufficient time for TSE to confirm and clarify all information that is received. This process generally requires very detailed requirements of what services you will need and several exchanges of information to take place.

ANY CHANGES OR ADDITIONS REQUESTED AFTER THIS AGREEMENT HAS BEEN MADE WILL BE BILLED AT THE PUBLISHED RATES CONTAINED IN YOUR EXHIBITOR MANUAL. NO EXCEPTIONS.

Please fill in the information below based on your installation schedule for each day. If you require electricians for show day stand-by, please be sure to include that as a task. Dismantle schedules are not necessary unless you have specific requirements. Any applicable overtime rates will be reflected in the pricing:

PLEASE READ CAREFULLY

¹On stanchion, in-line booths only.

²May require labor and/or lift at additional charge not available at some locations.

- Any additional power drops or locations are chargeable on a time and material basis. Distribution and connection of outlets are chargeable on a time and material basis.
- The combination of all outlets and booth power greater than 20 amps and/or with a voltage greater than 150 volts will require electrical labor. Labor is required to inspect equipment pre-wired to plug into our system. Exhibitors are not permitted to use power unless ordered. Exhibitors found using outlets without an order will be subject to the regular rate for outlets used. No credits will be issued on unused outlets or lights installed as ordered.

ELECTRICAL LABOR (See Electrical Labor Order Form for rates)

A 30% supervision fee will be charged for all electrical labor when exhibitor or exhibitor's supervisor is not present. Starting time can only be guaranteed when labor is requested for the start of the working day at 8 a.m. The minimum charge per booth is one hour for installation and one-half (1/2) hour for dismantle. Labor dismantle is charged at 50% of total install charges, overtime rates may apply. Time will commence per exhibitor's request. Failure to start labor at requested time will result in a one hour charge per electrician requested, unless 24-hour advance notice is provided in writing.

- All booths requiring labor must send a booth floor plan to: tse@ts-electric.com. PDF, JPG and CAD files preferred. They can also be faxed to (702) 515-5739. Please write your booth number and show name on the fax. To receive the advance rate, the booth layout form (H-3) or a scaled plan for electrical distribution must be attached to this form or emailed to: tse@ts-electric.com

- The first ninety feet of cabling to deliver power to your booth is free. If additional cabling is necessary, to power your booth, it will be charged at a time, material and motorized equipment basis.

2006 International CES — PLEASE CHECK BOOTH LOCATION

January 5-8, 2006

☐ Las Vegas Convention Center ☐ Las Vegas Hilton

DEADLINE DATE:

December 7, 2005

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual.

1. Trade Show Electrical is not responsible for voltage fluctuation or power failure due to temporary conditions. For your protection you should install a surge protector on any sensitive electronic equipment. All electrical installations and connections to all electrical service should be made by a Trade Show Electrical electrician. Trade Show Electrical will not be responsible for any damage or loss of equipment, component, computer hardware or software and/or any damage or injury to any person caused by the installation, connection or plugging into any electrical outlet by persons other than a Trade Show Electrical electrician. TSE is not responsible for exhibitor supplied distribution equipment and materials.
2. Electricity will be turned on within 30 minutes of show opening and turned off 30 minutes after show closing.
3. 24-hour service to any outlet will be double the listed price.
4. Dedicated power is double the listed price, and can only be guaranteed before show opening with advance arrangements for date needed.
5. All electrical outlets will be installed on the floor at the draped backwall of in-line booths and peninsula spaces. Exhibitors with hardwall displays must arrange for power to be dropped inside the booth if necessary; this will be done on a time and material basis. Overhead power to island booths will be dropped to one main location per the exhibitor's floor plan. If no plan is provided, the connection(s) to equipment is chargeable on a time and material basis. For further information, please refer to the Exhibitor Electrical Information insert.
6. Local ordinances prohibit more than 2000 watts per lighting circuit and only one connection for power and motor outlets.
7. All wiring, motors, electrical installations, etc. must be approved. To prevent overloading of circuits, exhibitors cannot add wattage except as ordered.
8. All electrical permits required by the Local Building and Safety Code will be obtained by the electrical contractor.
9. All flood light, column and wall outlets are not a part of booth space. A separate outlet must be ordered at regular price for each piece of equipment to be connected.
10. Special hanging, hookups, repairs or installation of electrical will be done on a time and material basis.
11. Installation is subject to Local Union Contract and jurisdiction.
12. All equipment should be properly tagged and wired with full information as to current, voltage, phase, cycle, horsepower, etc. and 'Ready For Connection.'
13. All outlets over 20 amps and with a voltage of over 150 volts require electrical labor. This includes a 1-hour minimum to inspect exhibits that are pre-wired to plug into our system.
14. Any labor rates indicated on forms are based upon the current IBEW union contract at time of printing forms. These rates are subject to change without notice based on prevailing union contract at time of show.

ELECTRICAL CONTRACTOR'S RESPONSIBILITIES

As the Official Electrical Contractor, we will be responsible for:

- All under-carpet distribution of electrical/communication wiring (coaxial cable, fiber optics, telephone, etc.)
- All facility overhead distribution of electrical wiring, including coaxial cable, fiber optics and the distribution of same from product to booth and from booth to booth.
- All motor and equipment hook-ups requiring hard wire connections.
- Installation and/or repair of electrical fixtures, track lights, arm lights and/or low voltage.
- Installation of electrical motors to be energized and electrical apparatus.

The above items require electrical labor, which may be ordered in the Electrical Labor section on the next page.

ELECTRICAL CODE

Electrical Services for Exhibits at Convention Facilities

Electrical requirements for an exhibit at all convention facilities are for the safety of all exhibitors and are based on national Electrical Codes and local ordinances. Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits in the convention facilities may be inspected to determine if any violations exist. If they are found, qualified electricians are available to correct the problems. This work will be performed on a time and material basis. If the exhibitor does not wish to have the fault corrected, electrical services to the offending booth will not be connected.

If an exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to the convention facilities.

Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember these points:

- ***All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.***
- ***Spot or flood lighting is a hazard when lamps are too close to fabrics or other material which can be affected by heat.***
- ***The use of clip-on sign sockets, romex or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.***
- ***Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities.***

Please leave all 2-wire cords at home!

2006 International CES
January 5-8, 2006

DEADLINE DATE:
December 7, 2005

LAS VEGAS HILTON EXHIBITORS ONLY

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual.

PLEASE COMPLETE THIS FORM FOR ALL ELECTRICAL LABOR NEEDED.

TO DETERMINE IF YOU NEED ELECTRICAL LABOR, PLEASE READ THIS FORM CAREFULLY.

- All under-carpet distribution of electrical wiring. All facility overhead distribution of electrical wiring, including coaxial cable, fiber optics, twisted pair, etc., and the distribution of same from product to booth and from booth to booth. All motor and equipment hook-ups requiring hard wiring connections. Installation and/or repair of electrical fixtures. Installation of electrical motors and electrical apparatus to be energized.
- All outlets over 20 amps and/or with a voltage over 150 volts will require electrical labor. Labor is required to inspect equipment pre-wired to plug into our system. Exhibitors are not permitted to use power unless ordered. Exhibitors found using outlets without an order will be subject to the regular rate for outlets used.

IMPORTANT INFORMATION & RATES

- ☐ **FLOOR WORK - UNDER CARPET DISTRIBUTION - TSE SUPERVISED (OK TO PROCEED)**
TSE will supervise labor to: (If this option is left unmarked and a floorplan has been submitted, TSE will proceed with the floor work.)
- Distribute power under carpet (**Requires floor layout form H-3**).
- A 30% surcharge will be added to the labor rates below for this professional supervision.**
- ☐ **FLOOR WORK - UNDER CARPET DISTRIBUTION - EXHIBITOR SUPERVISED (DO NOT PROCEED)**
Exhibitor will supervise.
- Indicate workers needed for installation.

TYPE	DATE(S)	SCHEDULE START	END	# OF HOURS	QUANTITY		RATE	TOTAL
					ELECTRICIANS	FORKLIFT/AERIALLIFT		
FLOOR WORK		AM / PM	AM / PM				/HR	

Starting time can be guaranteed only when labor is requested 24 hours in advance for the start of the working day at 8:00 AM. All exhibit labor for 8:00 AM starting times will be dispatched to booth space. For all other starting times, check in at the labor desk one-half (1/2) hour before time requested. Labor cancelled without a 24 hour notice shall be charged a one (1) hour cancellation fee per worker. If exhibitor fails to use the workers at the time confirmed, a one (1) hour "No-Show" charge per worker will apply.

The minimum charge for labor is one (1) hour per worker. Labor thereafter is charged in half (1/2) hour increments. **Labor dismantle is charged at 50% of labor installation charges, overtime rates may apply.**

All booths requiring labor must send a booth floor plan to tse@ts-electric.com. PDF, JPG and CAD files are preferred. They can also be faxed to (702) 515-5739. Please write your booth number and show name on the fax. To receive the advance rate, the booth layout form (H-3) or a scaled plan for electrical distribution must be attached to this form or emailed to: tse@ts-electric.com

GRATUITIES IN ANY FORM, INCLUDING CASH, GIFTS, OR LABOR HOURS FOR WORK NOT ACTUALLY PERFORMED ARE PROHIBITED BY GES. All rates are subject to change if necessitated by increased labor and material costs.

ELECTRICAL LABOR RATES AS FOLLOWS:

2006 International CES — PLEASE CHECK BOOTH LOCATION

January 5-8, 2006

☐ Las Vegas Convention Center ☐ Las Vegas Hilton

DEADLINE DATE:
December 7, 2005

If your booth space is at the Sands Expo and Convention Center, please refer to the SES brochure located in the "Sands Utilities" section of this Exhibitor Manual.

TSE requires payment in full at the time services are ordered. Further, TSE requires that you provide a credit card authorization with your initial order. For your convenience, we will use this authorization to charge your account for services, which may include labor, not covered by your initial payment. You may arrange for a third party to handle your display and be billed for services. TSE will agree to this arrangement if the third party has a satisfactory payment record with us. **Both Firms** must complete this form, including **Third Party Credit Card Charge Authorization below**. If no third party is being used, only the "Exhibiting Firm" credit card charge authorization is required. Return form by the deadline date.

It is understood and agreed that the exhibiting firm is ultimately responsible for payment of charges. If your named third party does not pay the invoice before the last day of the show, charges will revert to you, the exhibiting firm. All invoices are due and payable upon receipt.
