

TOKYO GAME SHOW 2025

Overseas Event Briefing Sponsorship Guide

More than 500 overseas game-related companies and organizations from 44 countries and regions exhibited at TGS2024, and that number is expected to grow. The show has also recorded 87,000 business visitors, establishing it as the world's leading gaming event. In order to meet the information needs of overseas exhibitors, which are increasing every year, TGS Management Office holds TGS2025 briefing sessions in major Asian cities.
