SPECIAL INSTRUCTIONS:

TERMS AND CONDITIONS

DEFINITIONS

On this Shipping Form, "we," "our," and "us" refer to Encore Business Services, its employees, and agents. "You" and "your" refer to the sender, its employees, and agents. "Carrier" refers to the service provider that has been selected (FedEx, UPS, DHL and Airborne Express.)

AGREEMENT TO TERMS

By giving us your package to deliver, you agree to all the terms on this Shipping Form. You also agree to those terms on behalf of any third party with an interest in the package. No one is authorized to change the terms of our Agreement.

RESPONSIBILITY FOR PACKAGING AND COMPLETING SHIPPING FORM

You are responsible for adequately packaging your goods and properly filling out this Shipping Form. If you omit the number of packages and/or weight per package, our billing will be based on our best estimate of the number of packages we received and/or an estimated "default" weight per package as determined by us.

RESPONSIBILITY FOR PAYMENT

Even if you give us different payment instructions, you will always be primarily responsible for all delivery costs, as well as any cost we incur in either returning your package to you or warehousing it pending disposition.

LIMITATIONS ON OUR LIABILITY AND LIABILITIES NOT ASSUMED

Our liability in connection with this shipment is limited to the lesser of your actual damages or \$100, even if you declare a higher value, pay an additional charge, and document your actual loss in a timely manner. You may pay an additional charge for each additional \$100 of declared value. In any event, we will not be liable for any damage, whether direct, incidental, special, or consequential in excess of \$100 whether or not Encore Business Services had knowledge that such damages might be incurred including but not limited to loss of income or profits. Any claim for damages in excess of our maximum liability must be directed to the carrier of your package.

We won't be liable:

- for your acts or omissions, including but not limited to improper or insufficient packing, securing, marking, or addressing, or those of the recipient or anyone else with an interest in the package.
- if you or the recipient violates any of the terms of our Agreement.
- for loss or damage to shipments of prohibited items.
- for loss, damage, or delay caused by events we cannot control, including but not limited to acts of God, perils of the air, weather conditions, acts of public enemies, war, strikes, civil commotions, or acts of public authorities with actual or apparent authority.

DECLARED VALUE LIMITS

The highest declared value allowed for a Envelope and Pak shipment is \$500. For other shipments, the highest declared value allowed is \$50,000 unless your package contains items of extraordinary value, in which case the highest declared value allowed is \$500. "Items of extraordinary value include shipments containing such items as artwork, jewelry, furs, precious metals, negotiable instruments, and other items listed in the FedEx Service Guide. You may send more than one package on this Shipping Form and fill in the total declared value for all packages, not to exceed the \$100, \$500, or \$50,000 per package limit described above. (Example: 5 packages can have a total declared value of up to \$250,000.) In that case, "Carrier" liability is limited to the actual value of the package(s) lost or damaged, but may not exceed the maximum allowable declared value(s) or the total declared value, whichever is less. You are responsible for proving the actual loss or damage.

FILING A CLAIM

You must make all claims to the carrier of your package in writing within 30 days. You may call our Shipping Department at 702-943-6780 to obtain further details. Within 90 days after you notify the carrier of your claim, you must send us all the information you have about it. If the recipient accepts your package without noting any damage on the delivery record, the carrier will assume the package was delivered in good condition. For the carrier to process your claim, you must make the original shipping cartons and packaging available for inspection.

RIGHT TO INSPECT

We may, at our option, open and inspect your packages before or after you give them to us to deliver.

RIGHT OF REJECTION

We reserve the right to reject a shipment when such shipment would be likely to cause delay or damage to other shipments, equipment, or personnel; or if the shipment is prohibited by law; or if the shipment would violate any terms of our Shipping Form.

C.O.D. SERVICES

C.O.D. services is not available through Encore Business Services.

AIR TRANSPORTATION TAX INCLUDED

A federal excise tax when required by the Internal Revenue Code on the air transportation portion of this service, if any, is paid by the carrier of your package.

MONEY-BACK GUARANTEE

In the event of untimely delivery, the carrier of your package is responsible and will, at your request and with some limitations, refund or credit all transportation charges.

Lead Management Services

Don't collect business cards... Do business with ExpoCard

Grow your business now and in the future by learning more about the attendees who visit your booth.

Savvy exhibitors know the success of your trade show program is not about the crowds in the booth or the buzz around the show floor. Your success depends on how effectively you capitalize on your participation. To get the best ROI and take advantage of post show opportunities, you need to learn more about attendees that visit your booth. And the most dependable source for this information is ExpoCard Lead Management Services.

The top five reasons ExpoCard powers your future business

ExpoCard is important to your future because it integrates valuable information that is critical to the growth of your business. Imagine one card with the ability to help you:

- 1) Impact sales and ROI**
- 2) Gather audience intelligence**
- 3) Create targeted advertising messages that connect with your prospects and customers**
- 4) Build a database for future marketing and sales initiatives**
- 5) Reinforce your message after the show**

ExpoCard is thinking beyond the box to your future business

Our system has demographics only the official registration company can provide.

ExpoCard data is brimming with information that can help you leverage your participation and improve the ROI for your trade show program. Depending on the demographics collected this may include:

Contact data
Email address
Occupation
Business volume
Job title/position
Job responsibility
Purchasing influence
Product interest
Professional needs
Professional certification and group affiliation(s)
And much more!

A. ExpoCard Standard

A cost effective solution for capturing accurate attendee data electronically.

The tabletop unit electronically reads the attendee's ExpoCard, stores the information in its internal memory and provides an immediate printout. Printouts can be customized to augment information collected.

B. ExpoCard Mobile

A mobile staffer needs a mobile method for capturing quality data on the go!

The latest in handheld technology with full printing capabilities ExpoCard Mobile is a compact, handheld, lead collection and qualification system that can be customized with survey questions. The unit uses PalmOS technology to quickly and effectively capture and print contact and demographic information.

C. ExpoCard Connect

For exhibitors that want optimum customization and qualification using their laptop or PC.

ExpoCard Connect software allows exhibitors to fully customize an in-depth survey which they can use to qualify each booth visitor. Each package includes a cable connector and our Standard ExpoCard Reader. Laptop not included. If you would like us to provide a laptop call us about our "full service" option.

D. ExpoCard RealTimer

For exhibitors that want instant access to attendee data and immediate performance feedback.

ExpoCard RealTimer is a handheld wireless unit that immediately sends leads to a secure, password-protected website. Imagine having the ability to qualify leads anywhere in the booth and provide attendees with immediate follow-up to their information requests.

E. ExpoCard Connect Pro

Attract visitors, identify hot prospects and let attendees tell you what they need with or without staff assistance! Tell us what you want and we will build the system for you.

ExpoCard Connect Pro full service system combines lead retrieval with interactive touchscreen technologies that attracts attention, collects valuable data, showcases products and services and automatically generates a database for follow-up.

Prospects may not have a business card... They always have an ExpoCard

It's more than a name and address... Support the specialized needs of your company by capturing custom information to ensure fast and accurate follow-up to prospect requests.

In addition to the demographics provided at registration, ExpoCard Lead management can help you customize the data you capture either on the printout or electronically depending on the system you choose. Expocard Standard allows you to add questions to the printout that can be completed by your sales staff. ExpoCard Connect, Mobile and/or Pro capture your customized data electronically. Whichever you choose you can add fields for efficient, accurate response to the needs of your customers and prospects including:

- Product requests
- Current customer or prospect
- Other suppliers used
- Satisfaction with current suppliers
- Follow-up action
- Follow-up preferences and timeframes
- And much more

TERMS AND CONDITIONS

1. Agreement: The terms and conditions set forth herein, the Order Form, and the Rate Sheet constitute an Agreement between Judy Venn & Associates, Inc. ("JVA") and you the client ("Client").
2. Independent Contractors: JVA is an independent broker of convention services. JVA is not employed by the Client. In the performance of its Agreement with the Client, JVA will make its best efforts to obtain the services of subcontractors ("Talent") to fulfill the requirements of the Client, which may include, but are not limited to, exhibit hostesses/hosts, demonstrators/sales assistants, costumed characters, hospitality suite hostesses/hosts, narrators/presenters, interpreters or crowd gatherers. JVA does not employ the aforesaid persons, but retains their services as independent subcontractors.
3. Authority of Signatory: In the event the services of JVA are requested on behalf of the Client by an agent or third party representative, such as a producer or production house ("Agent"), the Agent, and any other signatory who executes this Agreement on behalf of the Client, represents and warrants that it/he/she has all due express or implied authority necessary to execute this Agreement on behalf of the Client, and to bind the Client hereto. Any Agent or other signatory that executes this Agreement acknowledges and agrees to be jointly and severally liable with Client for any and all financial obligations incurred under this Agreement by the Client or on the Client's behalf.
4. Cancellation by Client: (a) Client acknowledges and agrees to the CANCELLATION CHARGES set forth on the Order Form in the event Client, or Agent on behalf of Client, cancels its order prior to the event subject to this Agreement. Upon such cancellation, Client/Agent excuse JVA and the Talent from further performance under the terms of this Agreement. (b) Client acknowledges and agrees that the Client or its Agent may only terminate or cancel Talent after commencement of the event subject to the Agreement, upon a showing of good cause. "Good cause" is defined as a willful breach of duty by the Talent in the course of his or her performance, or in the case of the Talent's habitual neglect of duty or continued incapacity to perform that duty. In the event of good cause as defined above, prior to terminating or canceling the Talent, Client must provide JVA with a reasonable opportunity to cure the inadequate performance of the Talent by allowing JVA to notify the Talent of the alleged breach of duty and/or replacing the Talent with an alternate in order to rectify any performance inadequacies. In the event Client terminates or cancels Talent without providing JVA with the aforesaid opportunity to cure, Client agrees to pay the entire fee due and owing as if Client and Talent had fully performed under the Agreement.
5. Cancellation by the Talent: Sometimes unexpected events occur beyond our control. When such unexpected events do occur, to ensure that our Client's needs are met we have established the following policy where Talent cancellation occurs: (a) In the event JVA is informed of a cancellation by the Talent it scheduled for the event subject to this Agreement seven (7) days or more prior to the start date of the subcontractor's services: (1) Where the canceling Talent was specifically identified and requested by the Client for services to be performed at the event subject to this Agreement, and where JVA is able to communicate the cancellation to the Client in a timely fashion, the Client will have the option of canceling the Agreement with regard to that Talent without incurring charges for that specific Talent. (This cancellation option, if exercised, is limited only to the canceling Talent and the remainder of the Agreement will remain intact and in full force and effect). If JVA is unable to successfully communicate the cancellation to the Client or does not receive a responsive instruction from the Client at least four (4) days prior to the scheduled event, JVA will make its best efforts to select, at its option, replacement Talent that most closely fulfills the Client's requirements; (2) Where the canceling Talent was NOT specifically identified and requested by the Client for services to be performed at the event subject to this Agreement, JVA will make its best efforts to select, at its option, a replacement subcontractor that most closely fulfills the Client's requirements. (b) In the event JVA is informed of a cancellation by the Talent it scheduled for the event subject to this Agreement less than seven (7) days prior to the start date of the subcontractor's services, JVA will make its best efforts to select, at its option, replacement Talent that most closely fulfills the Client's requirements. (c) Any cost variance due to selection of different Talent arising out of (a) or (b) above will be the responsibility of the Client and/or its Agent.
6. Client authorization: Client expressly authorizes JVA and its affiliates and subsidiaries to use, for its marketing, promotional, and advertising materials, any photographs, videotape, or other recordings or reproductions of Client's trademarks, copyrighted materials, or other intellectual property, derived from Client's participation at events at which JVA has provided Talent, products, or services, on behalf of Client. This also includes authorization for JVA to use the photograph, videotape, or likeness of Client and/or its employees, by whatever means recorded, for the same purposes. JVA shall have no ownership rights or interest in Client's trademarks, copyrighted materials, or other intellectual property, or in the likeness of Client or its employees, by virtue of this authorization or any use arising from this authorization. Such use by JVA, if any, shall not constitute a waiver of Client's rights or interest in any of its trademarks, copyrighted materials, or intellectual property.
7. Intellectual Property Rights: JVA is the sole and exclusive owner of all intellectual property rights, including copyrights, in the finished product, performance, or services of JVA and its affiliates and subsidiaries. This includes, without limitation, all recordings of any performance or services procured or provided by JVA, its affiliates, subsidiaries, and/or its Talent by any means, electronic or otherwise. Recordings or reproductions of the finished product, performance, or services by any means, electronic or otherwise, may be used only by express written authorization from JVA. Reproductions of products, performances, or services may be obtained from JVA on request when available.
8. Governing Law: This Agreement has been negotiated and entered into in the State of California, County of Orange, and shall be governed by, construed and enforced in accordance with the laws of the State of California. If any term of this Agreement is held to be invalid, void, or unenforceable in whole or in part, the remainder of the provision(s) shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.
9. This Agreement constitutes the entire Agreement between the parties hereto concerning the subject matter of the Agreement, and supercedes all prior and contemporaneous Agreements between the parties. The Agreement may be amended only by a writing signed by JVA and the party to be charged which expressly refers to this Agreement and specifically states that it is intended to amend it. No party is relying on any warranties, representations or inducements not set forth herein, on the Order Form, or on JVA's Rate Sheet. This clause may not be waived. I, the Client and/or the Client's authorized agent, do acknowledge that I have read these Terms and Conditions, the Order Form, and the Rate Sheet provided by Judy Venn & Associates, Inc., and that I understand, acknowledge and agree to all of the foregoing.
