

THE INTERNATIONAL CES WELCOMES INTERNATIONAL VISITORS.

CES is honored to have more than 22,000 (pre-audit) international professionals attend the show, contributing to its continued success and growth. Because we appreciate the efforts our international visitors make to attend CES, we provide several international services to make your visit as valuable and enjoyable as possible.

A sample of the services CES offers international visitors include:

- On-site international business centers, which offer private meeting rooms, Internet stations, a lounge area, registration assistance and more.
- A welcome reception exclusively for international visitors, exhibitors and press.
- A multilingual staff fluent in multiple languages including Spanish, French, Japanese, Chinese and Korean available to assist with registration, interpretation or other needs.
- A formal delegation program for visitors who wish to take advantage of the benefits of group travel to this trade-only event.
- CES participates in the U.S. Department of Commerce's International Buyer Program. Representatives from the Department of Commerce are available onsite to assist with any export related questions.
- Translation services for all keynotes (selected languages).
