Dear CES Exhibitor,

We are pleased that the Consumer Electronics Association has selected GES Exposition Services as your Official Service Contractor for the 2007 International CES. We strive to offer you the best possible service to facilitate a successful show experience.

Please review this manual carefully. It contains information and order forms for each of the many services offered by GES Exposition Services. If we are to serve you efficiently, it is most important that you return these forms to us promptly.

By placing your orders in advance, you can save up to 50% on most decorating items. Advance orders also make for a smoother, more efficient move-in avoiding unnecessary waits, the possibility of selecting a sold out item and showsite delivery delays.

To qualify for discount prices, orders must be received in our office on or before the deadline date(s) on the order forms. Please be sure to reference each order form as deadline dates may vary.

GES requires payment in full at the time services are ordered. For your convenience, we require that you provide a credit card authorization with your initial order. This may be used to charge labor and material handling services not covered in your advance order. We accept Visa, MasterCard, American Express, Diners Club and Discover, as well as checks.

We realize that exhibiting in a tradeshow can be complicated. If you need assistance with your orders or additional information, please call the GES National Servicenter at (866) 814-1705. For specific questions dealing with the following departments, please call as listed below:

Freight - contact the Freight Operations Center (702) 515-5719 or (cesfreight@ges.com)

TSE Electrical - contact (702) 515-5955 or (tse@ts-electric.com)

Hanging Signs - contact Steve Williams at (702) 515-5716 or (sWilliams@ges.com)

In addition, our GES Servicenter staff will be available throughout the show to assist you.

Thank you in advance for your valued business. We look forward to serving you and wish you the most successful International CES show yet!

Sincerely,

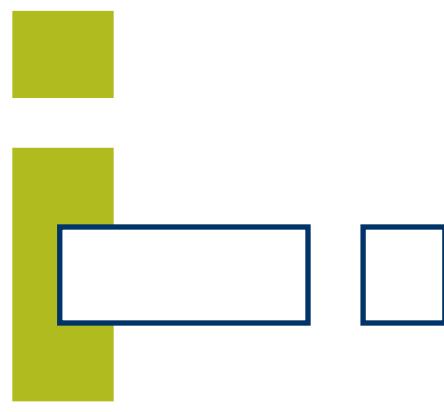

Daryl Clove
Executive Vice President, Sales

SAVE TIME & MONEY
GES IS HERE TO HELP ENSURE A GREAT SHOW!

- Read your Exhibitor Manual! Time and energy spent here will be recouped in your meeting discount deadline dates to save money, and being aware of all of the show requirements, saving hassles on the back end.
- Pay special attention to the various discount deadline dates. Once you have determined what services you will need, review those forms for the deadline to get advance pricing. Often they may vary by service, and getting your orders in on time can save you up to 50%.
- When you order carpet directly from GES you avoid additional material handling and installation charges.
- Use your General Contractor as a resource. Our GES National Servicenter is available to assist you, Monday – Friday from 8:30 AM – 8:00 PM Eastern Time. We can be reached toll free at 866.814.1705 or contact us Online at www.ges.com/contact. - GES provides confirmation of all orders placed. Once your order has been processed at GES you will automatically receive a confirmation within 3 – 5 business days. All orders placed online receive immediate confirmation.

Additionally, you will receive a confirmation of receipt from GES, including the date the shipment was received, the number of pieces and the actual weight.
- Please keep in mind that an active show floor is not a secure environment! Although great effort is put in to providing perimeter security, when you are not there items left in your booth space can be vulnerable. Please make sure all of your materials are insured properly.
- GES Service Executives are at your service on the show floor. Please look for their tent cards in your booth, it will include a cell phone number to call and they will come directly to your booth, eliminating trips to the GES Servicenter. Please take advantage of this service.
- Please take the time to review your invoice at showsite. If necessary you can set up an appointment with your Service Executive to review.

Negligence standard: GES shall be liable, subject to the limitations contained herein, for loss or damage to Goods only if such loss or damage is caused by the direct negligence or willful misconduct of GES.

Condition of Goods: GES shall not be liable for damage, loss, or delay to uncrated freight, freight improperly packed, glass breakage or concealed damage. GES shall not be liable for ordinary wear and tear in handling of Goods or for damage to shrink wrapped Goods. All Goods should be able to withstand handling by heavy equipment, including but not limited to forklifts, cranes, or dollies. It is the Customers' responsibility to ensure that Goods are packaged correctly prior to shipment or movement on or off the Show floor.

Receipt of Goods: GES shall not be liable for Goods received without receipts, freight bills, or specified unit counts on receipts or freight bills. Such Goods shall be delivered to booth without the guarantee of piece count or condition.

Force Majeure: GES shall not be liable for loss or damage that results from Acts of God, weather conditions, act or default of Customer, shipper, or the owner of the Goods, inherent nature of the Goods, public enemy, public authority, labor disputes, and acts of terrorism or war.

Cold Storage: Goods requiring cold storage are stored at Customer's own risk. GES assumes no liability or responsibility for Cold Storage.

Accessible Storage: GES assumes no liability for loss or damage to Goods while in Accessible Storage. Storage charges are for the use of space and are not a form of insurance, or a guarantee of security.

Unattended Goods: GES assumes no liability for loss or damage to unattended Goods received at Show Site at any time from the point of receipt of inbound Goods until the loading of the outbound Goods, including the entire term of the respective show or exhibition. Customer is responsible for insuring its' own Goods for any and all risk of loss.

Labor: GES assumes no liability for loss, damage, or bodily injury arising out of Customer's supervision of GES provided union labor. If GES supervises labor for a fee, GES shall be liable only for actions or claims arising out of its' negligent supervision. If Customer elects to use unsupervised labor, then Customer assumes all liability for the actions or claims that arise out of such work, and shall provide GES and show management with an indemnity, including defense costs, for any claims that result from Customers' supervision or failure to supervise assigned labor.

Empty Storage: GES assumes no liability for loss or damage to Goods or crates, or the contents therein, while containers are in storage. It is Customer's sole responsibility to affix the appropriate labels available at the GES Service Desk for empty container storage. Damage that is the direct result of GES' negligence shall be subject to the limitations of liability set forth in this document.

Forced Freight: GES shall not be liable for Goods not picked up by 11-03951.03952.03953.03954.03950

2007 International CES

January 8-11, 2007

GES TERMS AND CONDITIONS
ARE SUBJECT TO CHANGE
AT GES' SOLE DISCRETION WITHOUT
NOTICE TO ANY PARTIES

Customer's chosen carrier by the show deadline. It is Customer's responsibility to complete accurate paperwork for shipping and insure its' Goods are appropriately labeled. Customer acknowledges that it is a lessee of space, and as such has an obligation to remove its' Goods on or before the targeted time. If Goods remain on the floor after this point, GES has the right to remove them in order to restore the premises to its' original condition for show management pursuant to the venue's lease with show management. In such cases GES is authorized to proceed in the manner chosen by Customer on the Order for Material Handling Services/ Straight Bill of Lading. Failure to select one of the provided options will result in re-routing at GES' discretion, and at Customer's expense assuming the Goods are labeled for return. GES retains the right to dispose of Goods left on the show floor without liability if left unattended, left without labels or not correctly labeled.

Concealed Damage: GES shall not be liable for concealed loss or damage, uncrated Goods, or improperly packaged or labeled Goods.

Unattended Booth: GES shall not be liable for any loss or damage occurring while Goods are unattended in Customers booth at any time, including, but not limited to, the time the Goods are delivered to the dock until the time the Goods are received by Customers' chosen carrier. All Material Handling Forms and/or Straight Bills of Lading covering outgoing Goods submitted to GES will be checked at the time of pickup from the booth and corrections to the count or condition will be documented where discrepancies exist.

Measure of damage: GES' liability shall be limited to the lesser of 1) the depreciated value of Goods, 2) repair cost, or 3) the limitation of liability. The limitation of liability shall be \$.50 (fifty cents) per pound per piece, \$100.00 (one hundred dollars) per package or \$1,500 .00 (one thousand five hundred dollars) per occurrence.

Excess Declared Value: If Customer wishes a higher limitation of liability than stated above, for loss or damage to property that occurs during the show, the Customer may do so by declaring a value in the space provided on the GES services order form(s) and also on the **Material Handling Order Form** and **paying by the appropriate additional charge in advance of the commencement of services by GES**. Maximum liability for damages resulting from GES' negligence shall then be increased to the amount of declared, but in no case shall it exceed the depreciated value of the Goods or repair costs, whichever is less. In case of partial loss or damage, the maximum liability shall be prorated based on weight. Excess Declared Value is not for: plasma screens, or other fragile electronic equipment, original art, and prototypes. The Declared Value may never exceed \$100,000, for the purpose of this provision and GES' liability in all circumstances shall be limited to the amount of this cap.

No Insurance: GES is not an insurance company and does not offer or provide insurance. It is the obligation of Customer to ensure Goods are insured at all times. Loss or theft of the Goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of Customer, unless it is shown that GES performed in a manner that constitutes gross negligence in the performance of its services for Customer.

Notice of loss or damage: In order to have a valid claim notice of loss or damage to Goods must be given to GES or its agent within 24 hours of occurrence or delivery of Goods, whichever is later.

Filing of claim: Any claim for loss or damage to Goods must be in writing, containing facts sufficient to identify the Goods, asserting liability for alleged loss or damage, and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified below.

Damage Reports, incident reports, inspection reports, notations of shortage or damage on freight bills or other documents, do not constitute filing of a claim.

Claims for Goods alleged to be lost, stolen or damaged at the Show Site must be received in writing by GES within sixty (60) days after the close of the show.

Claims for Goods alleged to be lost or damaged **during transit** must be received by the responsible party within nine (9) months of date of delivery of Goods. GES Logistics subcontracts the movement of Goods to third party carriers. Claims for damage in transit should be made directly with the Customer's carrier as shown on the Material Handling form/ Bill of Lading. In the event of a dispute with GES, Customer will not withhold payment or any amount due GES for Services as an offset against the amount of the alleged loss or damage. Customer agrees to pay GES prior to the close of the show for all such charges and further agrees that any claim Customer may have against GES shall be pursued independently by Customer as a separate action to be resolved on its own merits. GES retains the right to pursue collection on amounts owed after show close, without regard to any amount alleged to be owed for damage, or loss.

Filing of suit: Any action at law regarding loss or damage to Goods must be filed within two years of the date of declination of any part of a claim.

VII. Jurisdiction, Choice of forum. This Agreement shall be governed by and construed in accordance with the applicable laws of the United States or, alternatively, and depending on jurisdiction, the laws of the State of Nevada. The parties hereby submit to jurisdiction and venue in the United States Federal District Court of Nevada, or as applicable depending upon jurisdiction, the County Circuit Court in Clark County, Nevada.

VIII. Advanced Warehousing/Temporary Storage/Long Term Storage.

All terms and conditions relative to Advanced Warehousing/Temporary Storage/Long Terms Storage are contained in the separate agreement, entitled "Storage Agreement". In the event that a Storage Agreement is not executed between the parties, the following shall apply with respect to GES' liability for Customer's Goods:

The responsibility of GES with respect to Exhibit Material is limited to the exercise of ordinary care and diligence in handling and storing of Customer's Goods. GES shall be liable only for loss or damage to Goods caused by GES' sole negligence. GES' liability is limited to sixty cents per pound (\$.60) of the actual cash value per article. In case of partial loss or damage, the maximum liability shall be prorated based on weight. GES is not responsible for any loss or damage to Goods caused by, but not limited to fire, theft, the elements, vandalism, moisture, vermin, mechanical breakdown or failure, freezing or changes in temperature, as well as any other causes beyond GES' immediate control. GES is not responsible for the marring, scratching or breakage of glass or other fragile items. GES is not liable for the mechanical functions of instruments or appliances even if such articles are packed or unpacked by GES. In no event shall GES be liable for special, incidental, indirect or consequential damages, including business loss of any kind, resulting from any damage to or loss of the Goods or from any act or failure to act. Customer pays storage fees, if any or costs for advance warehousing for use of the space only. There is no guarantee of security or representations made by GES as to appropriateness of the conditions for Exhibitors' Material. The risk of loss remains the Customers alone and GES recommends the Customer carry and maintain insurance in amounts sufficient to cover its' risk.

Safety First!

2007 International CES

January 8-11, 2007

Safety is very important for everyone working in the exhibit hall - especially you!

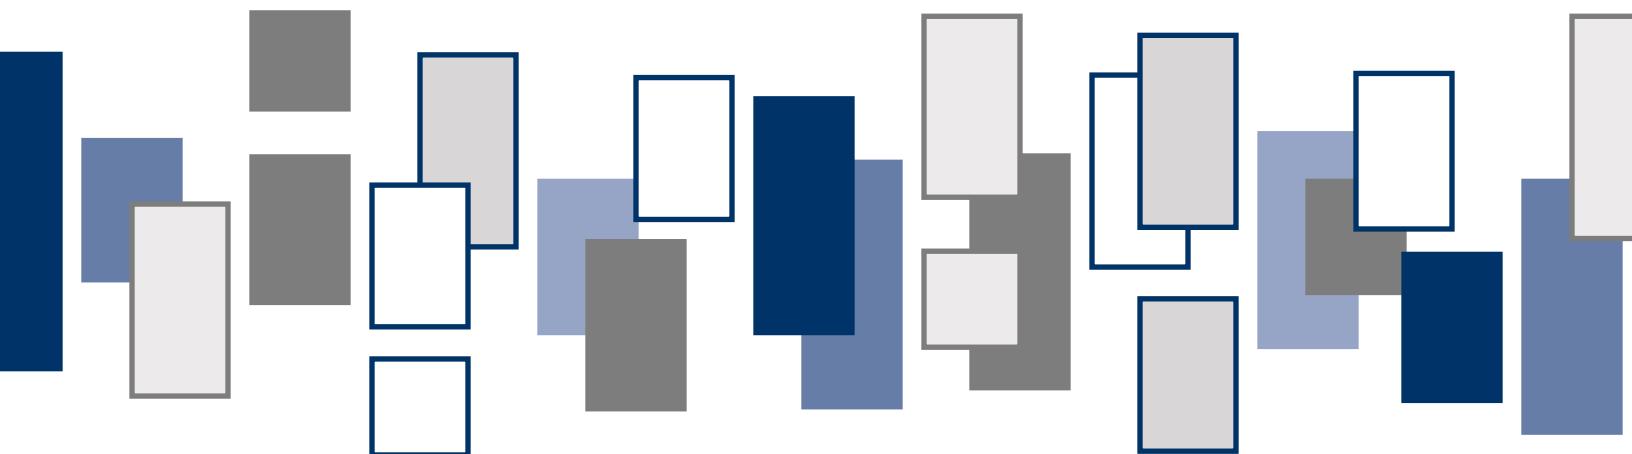

GES Exposition Services is committed to safety throughout our company and in the work that we do. We request that you make safety a part of your activities during the show. If you see something unsafe or that presents a hazard, please bring it to the attention of a GES Exposition Services supervisor. By reporting unsafe or hazardous conditions, you will help make the show safer and more enjoyable for yourself and your fellow exhibitors.

Below you will find a list of Loss Prevention Guidelines that we request you follow while at showsite. These Guidelines will enhance the overall safety of the show and help to prevent injuries to you, our employees and other exhibitors. Enjoy the show and do it safely. Thank you for your cooperation!

Exhibitor loss prevention guidelines at showsite

- Exhibitors should treat the show areas during move-in and move-out as they would a construction site, when work is ongoing. Wearing of appropriate attire includes footwear with hard soles and protects against potential injuries from site debris, and limits potential for slip and falls. Heels, flip flops and open toed shoes are inappropriate and violate safety standards.
- Smoking is prohibited except in designated areas. Please be sure all cigarettes are fully extinguished.
- Standing on chairs, tables and other furniture is PROHIBITED. The furniture is not designed to support your standing weight. Please use a ladder or ask GES personnel for assistance.
- Forklifts and carts are to be used by authorized GES personnel only. Please do not operate this equipment. Ask for help.
- Be aware of the forklifts moving throughout the aisles and docks. Please stay clear of them, especially when they are carrying a crate or load.
- Never run in the exhibit hall. Please walk. Watch your step in the aisles and stay away from the loading docks.
- Electrical wires and cords can be hazardous if frayed or stretched over a walkway. Please check all cords for damage. Notify a GES supervisor if you need assistance repairing or removing a damaged cord. Do not overload outlets or plugs.
- Please keep fire exits clear. Report any fires immediately or pull the nearest fire alarm.
- If you spill something, or notice a spill, clean it up or report it immediately. Please do not walk away from a spill.
- Use good housekeeping. Dispose of waste properly and keep materials stacked securely.
- Keep aisles free and clear of any and all debris.
- Protect your valuables while on the show floor. Please keep all expensive or valuable items secured. Unattended items in booths are easy theft targets.
- Notify a GES representative of any safety issues or concerns.
