

U.S. Commercial Service at CES 2013

Global Matchmaking & International Reception

Meet with Top Overseas Buyers

The Consumer Electronics Association and the U.S. Commercial Service have joined forces again to provide U.S. exhibitors an opportunity to target the over 20,000 international attendees expected at the 2013 International CES. By choosing to exhibit at the Global Matchmaking and International Reception (GMIR), you can achieve multiple objectives, including export sales, marketing, and business development.

Information for Tabletop Exhibitors

The GMIR will provide you with the opportunity to meet new customers; network with foreign buyers and industry professionals; and entertain new contacts/partners/clients in a hospitable and professional venue. All CES registered international attendees and exhibitors are invited to the GMIR. The event will be promoted on the 2013 International CES website. GMIR Exhibitors receive the following:

- 6' skirted table, 2 chairs, company sign
- 1 20v drop
- · Listing in Event Directory
- · Complimentary Food and Drinks

About the U.S. Commercial Service

Located across the United States and in U.S. Embassies and Consulates in over 70 countries, our global network of trade professionals helps U.S. businesses succeed in markets around the world. Whether you're looking to make your first export sale or expand to additional international markets, we offer the trade counseling, market intelligence, business matchmaking, and commercial diplomacy you need to connect with lucrative business opportunities.
